- You are welcome to share any information you would like about your business with the community at your table. If you have an activity for children/the community that you normally bring to events, please feel free to bring one! It could be as simple as a coloring/craft station to a game. (Please let me know what activity you will be bringing by 11/1)
- Community Partner tables will be assigned and set up throughout the event space so that the community can easily find/see your table.
