# CLEAN DRINKING

*What will you drink?*

# Water Filters

Access to clean drinking water is rare and most bathroom facilities are a muddy hole.

Our goal is to put a water filter and a latrine in every home.

*What will you do?*

A man wearing a black t-shirt, blue jeans, and a dark baseball cap is kneeling on the ground, smoothing the concrete surface of a large, rectangular concrete well structure. The well has a brass faucet on its inner rim. Another person's arm and shoulder in a green shirt are visible on the left side of the frame. The background shows a wire mesh fence and some green foliage.
