# Why We Help

The process of needing and receiving a heart transplant or mechanical heart support is a difficult journey - mentally, emotionally, physically, and for many also financially. The Terrence Pickrel Heart Fund seeks to help these patients lessen their financial burden by providing modest financial assistance.

- ◆ **Rent/mortgage**
- ◆ **Utilities**
- ◆ **Food**
- ◆ **Transportation/gas**
- ◆ **Medication copays**
- ◆ **Insurance copays**
- ◆ **Dental expenses (restrictions apply)**

Requests are vetted by hospital social workers and are needs-based. Awards of up to \$500 per year to patients receiving care in Arizona are available, funds permitting.

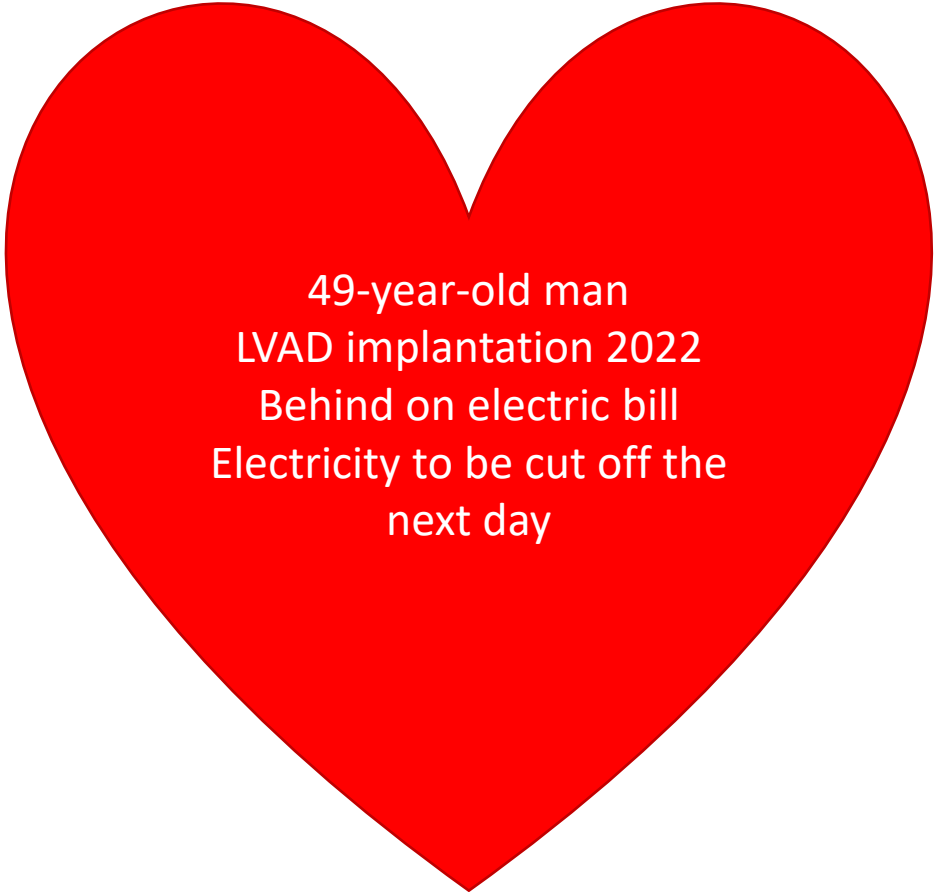

**EMERGENCY  
FINANCIAL  
ASSISTANCE**

This is amazing! Words cannot express the gratitude he and I have for you and your foundation. He is improving every day - hopefully soon he'll be approved for a new heart and kidney. As a man laid up in a hospital, he worries about me and our household. This will surely ease his mind and let him focus on healing. Thank you again for your support and assistance! BT

Looking forward

The Vision...

- ✓ **Increase grant limit to \$1,000**
- ✓ **Provide grants to all qualified advanced heart failure patients**
