Sponsorship Benefits

1) Recognition of your community support

You and your business will be acknowledged and recognized for your support of families in need and education in Oro Valley by partnering with the generous contributions of the restaurants, a winery and a brewery. Your business can be highlighted on promotional materials and at the event. This celebration of Oro Valley's 50th Golden Anniversary will be *The Community Event of the Year!*

2) Participation in a fun event:

An opportunity to **sample the cuisine** of excellent restaurants in Oro Valley, taste the excellent wine that is grown in Arizona and the flavors of a featured brewery.

- **Enjoyable music** that provides a taste of music from several eras.
- **A wine pull** to give you the opportunity to obtain some sumptuous wine.
- **A silent auction** to have fun bidding for the event or item of treasure.
- **An Egg Hunt, Bouncing Castles, a Petting Zoo** and other events for kids under 8 years old who can attend for free!

3) The ongoing gratitude of those in need in our community:

All net proceeds will be donated to these important local nonprofits:

- **Edge High School** – providing alternative quality classes to at-risk students
- **Emerge** – providing services and a center for domestic abuse victims
- **IMPACT of Southern Arizona** – operating a food bank and providing support to families in need

4) Your opportunity to give back to the community that supports your business, help families in need, and show your neighbors and employees your care for those less fortunate!
