

2025

# District Conference Project Fair

District 5730

- We're having a Club Project Fair at District Conference! This is your opportunity to show off one of your favorite service projects!
- The fair offers an opportunity for other clubs to see a variety of projects and perhaps give them an idea of something your club has done.
- The project can be a fundraiser, a community service project or a club management project!
- Prizes for the best project and the best display will be awarded along with some surprises!
- Register below to let us know if you will participate in the Project Fair.
- **Deadline to register your project is Friday, April 4!**
- Set-up your display on Friday, April 25, and be ready to share your project by 4:00 pm!
