

WHAT DOES IT COST?

Welcome to The Rotary Club of Midland West. Listed below are the costs of joining and the monthly costs.

One-time Initiation Fee	\$25.00
Monthly Dues (includes District & International)	\$20.00
Weekly Meals	\$10.00
Guest Meals	\$10.00

All charges are billed to you monthly. Rotarians are required to pay their Monthly Dues unless they request a leave of absence. These dues cover the cost of membership locally, regionally, and internationally.

We ask members to attend a minimum of two meetings per month barring extenuating circumstances. However, attendance at all meetings and events is highly encouraged. Rotary's founding purpose was to help business leaders connect with other professionals in a variety of industries. Attending meetings is one way we accomplish this. Weekly programs cover a variety of topics from local government operations to opportunities to serve in the community.

We encourage visiting other Rotary Clubs to help meet attendance requirements. Rotary has clubs all over the world and even some that meet online!

We are glad to have you as a part of our club!

WELCOME!
