News and Information

- The board met last Thursday. Rob will provide a short update on the meeting.
- Four Boonville Rotarians (Vanessa D, Diana T, Heather R, and Rob G, volunteered at Neighbors Helping Neighbors Food Pantry last Tuesday morning to help with the distribution of food items and commodities to approximately 115 families. This will become a regular service opportunity for Rotarians the first Tuesday morning of every month.
- October 17 will be our "kick-off" for the Hannah Cole "Book Buddies" program from 6:30 pm to 8:00 pm in the Hannah Cole library. We invite any that are able to drop by the school library to see where the books will be located and to visit with parents about the importance of reading with their children. Also, we are seeking 11 Rotarians who love reading to children and would be willing to step up their community service by adopting a kindergarten or 1st grade classroom to be their personal Rotary "Book Buddy".

- We are planning a program during our Rotary meeting on October 21 for World Polio Eradication Day. We are needing to get a head count. Be thinking about making your own financial contribution to this very worthy international project!
- “Pedaling and Playing Poker for Polio” will be on Saturday (October 26th) and we will need Rotarians who will be able to commit to helping with this service activity, either by riding in the event or helping with rest stops along the way. I hope to have our Rotary T-shirts by then and would encourage all Rotarians who are present to show off their colors!
- We hope to have an update from Susan Lenz concerning our Social Activity associated with the 95th Boonville Rotary Anniversary.
- Members of the board met with Dr. Sarah Marriott and Cynthia Dwyer on October 1st to discuss ideas for strengthening our Boonville Rotary/Boonville School District Partnership. In addition to what we are already doing with the school district, we identified three possible areas where we can expand our service.
 - Organizing for emergency hygiene kits (still looking for a name for this program!) for underprivileged children
 - Starting an Interact Club for Laura Speed Elliott (***Update: a meeting has been scheduled with representatives from Laura Speed Elliott on Wednesday, October 16 at 1 pm to discuss the establishment of an Interact Club. Any Rotarians who are interested and available to join Rob at that meeting, please let him know.***)
 - Exploring the possibility of a satellite club
