1202 students served

70+ book scholarships

\$2,923,884 in Post-9/11 benefits

60% finished with a GPA of 3.0 or above

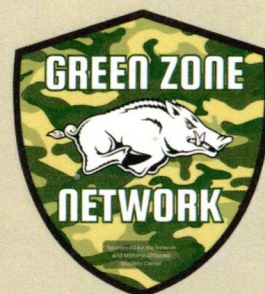

New Initiatives

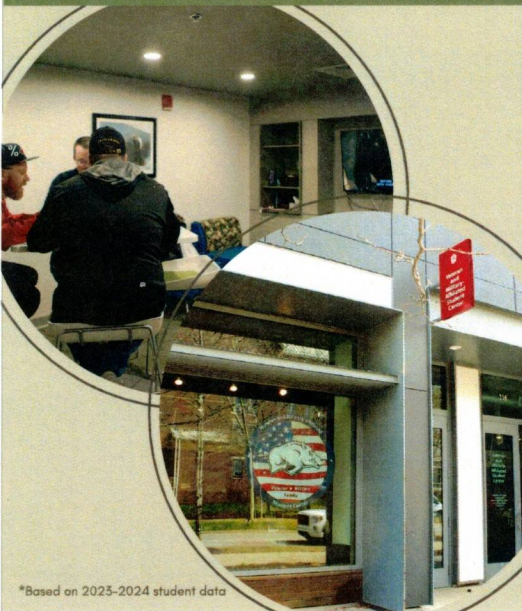

VA Works is a comprehensive platform for managing VA Education Benefits. Its objective is to streamline the application process for staff and students. Simplify and transform the way we communicate, share documents, interact with notifications, manage applications, stay productive, and track updates. It will improve student experience by giving them guided access to submit applications at any time and interact with staff through a centralized communication hub to include live updates on their benefits status.

VIP Veteran Impact Program

VIP is a one-semester cohort program for incoming or transfer student veterans that will support their transition to the UofA. First cohort will launch Fall 2024. This program is the recipient of the DSA Innovation Fund and a finalist for the Women's Giving Circle Grant.

Green Zone is a national program template that we are launching at UofA. The purpose is to educate the campus community on the military-affiliated population and strive for a more military friendly campus. It is similar to Safe Zone training. Attendees will have the opportunity to opt-in to a "network" of military-friendly faculty/staff listed on the VMSC website.

FOOD PANTRY DONATIONS

VMASC operates a year-round mini pantry in association with the Full Circle Food Pantry. Students who visit the office can grab a drink, snack, or meal anytime they may need one.

For an updated list of items needed, please visit our Amazon wish list. Items purchased on Amazon will ship directly to VMASC or you may also drop off items to our location in the Garland Garage Shops.
