# AMERICAN FLAG PROGRAM

The Holiday Island Rotary Club wishes to invite you to participate in our Flag Program.

The flag program was established in 2003 as a community oriented project to raise monies for post high school education for area students, college or trade school. The annual **\$36** donation to the program (\$40 if you keep it) has supported our club to help us award over **\$200,000** in scholarships and other civic contributions since its inception.

With your donation we plan to honor (7) seven national observances of national holidays. Our members will place a flag at your location and then pick them up after the observance. With this program we assist our young adults, display pride in America and honor our Veterans. In 2025 the following will be the displayed observances.

**President’s Day (February 17), Memorial Day (May 26), Flag Day (June 14)**  
**Independence Day (July 4), Labor Day (September 1), Patriot’s Day (September 11)**  
**Veteran’s Day (November 11)**

Please return your donation and your application information to a Rotary Member, a Rotary Club Meeting or mail it to the address below.
