

The Rotary Club of Alexandria is over 225 members strong representing nearly every profession and industry in the community. Rotary Clubs are built on the belief of “Service Above Self”. Service to our community is paramount to The Rotary Club of Alexandria. Each year the club services our community through programs such as Community Grants, Scholarships, Rotaract, The Doll & Toy Fund, Career Day and several international projects.

This year, Club President, Melinda Anderson has inspired the membership to service the community through volunteer opportunities.
