“Learn by doing...”

The weekend conferences use a “hands on” and a “learn by doing” approach to leadership development. Rotary District 6360 believes that this conference can assist many young leaders to realize their potential and to exercise their experiences as they assume their leadership positions within the community.

Safety is the number one priority of the conference. All high ropes participants wear appropriate safety gear - helmet, harnesses, and sling lines. All ropes activities are led by certified Adventure facilitators.

“When you learn from experience you seldom forget.”
