Vol. 1, Edition 17 - September 15, 2022

Information Every Club in District 6450 Can Use

Comments from Governor Ade

Welcome to our Interactors and Rotaractors who may have been away for the Summer. We hope you are ready for a great Rotary year. RI President Jones asks us to 'Imagine Rotary' by turning our dreams & aspirations into reality by fully partaking in the activities of Interact and Rotaract at home & globally.

You may start to prepare for **World Interact Day** (November 5th, 2022) and **World Interact Week** when we celebrate Interact's anniversary Nov. 5th - 13th. In addition, Interacts clubs should document their activities and submit a video to Rotary International on December 1st for the **Interact Video Awards**.

- Good news! Environmental matching grant applications are once again being accepted for the Rotary year 22-23. These grants are available in amounts between \$50 to \$200 to be matched by the club for earth-related projects. While we have promoted the protection of pollinators these past two years, the grant can be used for any project that protects, enhances, or renews our environment.
