

April 20, 2013 marked our club's 20th anniversary. The first formal meeting for our club took place at the Oxford Room at the HoJo Restaurant at 7:30 a.m. on Feb. 4, 1993. This was a club extension meeting with Lafayette Rotarians and prospective Rotarians. These members aimed to organize a new Rotary Club. The plan included 5 or more organizational meetings that would lead up to a Charter Meeting either in late March or early April. According to April 7, 1993 Board meeting minutes, we were a provisional club, and by May 6, 1993 we were the Rotary Club of Lafayette Daybreak.
