

**Lafayette Rotary Club**  
**Vocational Service Above Self Recognition**

Rotarians have always been interested in widening their relationships with people from various businesses and vocations. We promote high ethical standards and respect employees and customers by treating all equally and fairly.

You may already know someone or can discover someone who exemplifies what Rotary stands for in the work place. The annual Service Above Self award will recognize individuals who place service above self in our community through their work.

In your nomination, please state what the nominee does to serve others beyond the call of duty in their work. Please document. Provide examples. Both Rotarians and non-Rotarians in the greater Lafayette area are eligible. **Submission deadline is February 26, 2010.**
