Do you know any stories of Rotary's work in your community to share in this newsletter? Please contact Bettye Dunham, bdunham@rauchinc.org.

District Governor Shanon's September message:

This evening I am sitting on my porch swing enjoying the cool breeze under this magnificent glowing full blue moon. Its radiance piques my curiosity and catches my attention, it's quite impressive, it draws my attention, and creates a fantastic atmosphere for reflecting on the first 2 months of our Rotary year. It's remarkable how the brilliance of this blue moon mirrors the essence of #glowrotary and #growrotary.. People are indeed attracted to things that glow!

As DG, I have visited 16 radiant Rotary clubs and been welcomed by so many new friends and passionate Rotarians. It fills me with joy and pride to get to learn about each club and what truly motivates each Rotarian. Rotary certainly shines brightly! I can't wait until April 20, 2024 at the District Conference when each club will share their favorite projects. Each club is doing their part to Create Hope in the World!!

September is Basic Education and Literacy month. Did you know that more than 775 million people over the age of 15 are illiterate? That's 17 percent of the world's adult population. Our District embraces this cause through the "I Like Me books", the Dolly Parton Imagination Library, interactive learning paths in parks, Rotary Reads programs, local library projects, reading corners, teachers' warehouses and so much more. For those seeking innovative ideas, I encourage you and your club to explore MyRotary.org, where various action groups and project concepts are shared.

We are also excited about our youth programs. We have new Interact Clubs in our district, we have 3 inbound Rotary Youth Exchange students and 1 outbound! It's time to sign up for RYLA. The commitment forms for RYLA are due for 2023; if you have not done so, please send your form to Loren Snyder. In addition, applications are now being accepted for the Rotary Youth Exchange Program for the 24/25 school year. If you know of any students between the ages of 16-18 years old who would like to study abroad for one year, please contact Rowena Cross-Najafi for more information. Please, if you have any questions on our Youth programs, reach out!!

September is truly a month full of excitement. We're gearing up for our District Training Assembly and our Zone Institute, both promising avenues for growth and learning. Please enjoy the articles included in this newsletter that really shine a light on our District's Rotary Clubs. Let's glow together, grow together and make a lasting impact through Rotary.

Sincerely,

Shanon O'Toole

**REGISTRATION for District Training Assembly
EXTENDED to
Monday, September 4th**

DISTRICT Training ASSEMBLY

Together we CAN Strengthen Our Clubs

REGISTER NOW!

<https://www.dacdb.com/index.html?EventID=77677717>

We hope you plan to join us in Bloomington at the **Rotary District Training Assembly**. This can be important to your Rotary journey and also important to your club.

Join us at the 2023 **Rotary District Training Assembly September 9th from 10 - 2 at Ivy Tech in Bloomington** to learn more about how we can, together, **Expand Our Reach, Increase our Impact, and Engage our Members**. Tracks are available in specific areas of focus.

Let's make the 23-24 year that we move Rotary ahead in our communities! Come and learn from each other about how to go to the next level of possibilities.

The assembly is open to all Rotarians.

The opening session of the assembly will be a plenary session with speaker Melissa Stone speaking on RI President, Gordon McInally's main focus, mental health. This will then be followed by the following breakout sessions. All attendees are asked in registration to **choose ONE track to attend**. There will be a box lunch provided for the cost of \$15 per participant. Cancellations need to be received by September 4th. Note: To cancel a registration go back into 'registration' and click on 'MODIFY' registration. If sending a check from you or your club please send this to Bettye Dunham, 6255 N. Hwy 11 SE, Elizabeth, IN 47117 by August 31st.

1. The Rotary Foundation: District Grants, Global Scholarships, Disaster Relief and much, much more- The Rotary Foundation does so much good in the world. The dollars that Rotarians contribute every year go a long way to making our world a better place. The question is- how can we DO MORE? Foundation Chairs, Club Officers and all interested Rotary members are encouraged to attend this session to learn how to inspire passion for the Rotary Foundation and achieve our goal of increased giving in our clubs. Attendees will gain knowledge and will be encouraged to share what is going on in their clubs (in regards to the Rotary Foundation) as well.

2. Membership: The secret to Growing Rotary is both attracting and engaging people. Come learn the top ideas that have been working with clubs throughout the Midwest. We will also have samples of materials you can use and customize to improve both your members' and your visitors' experience with your club.

3. Public Image: Crafting Your Message: Public Image Made Easy!
Every facet of Rotary benefits through Public Image. Whether it's a press release, social media posts, traditional press, or your own personal promotion, public image helps attract new members and retains and engages current ones and highlights the great work of your club! Public Image Chairs, and Rotary members will learn easy social media tips and tricks. You will also find out how to tell your Rotary story in a quick and easy way to get your message across to your community!

4. Disaster Response: Rotary Responds!

Is your club positioned to help people in your community if a disaster occurs tomorrow? We're not looking for 'first responders' but simply Rotarians who want to be informed and in touch with and responsive to those who do respond 'first' in times of disaster. Your club can be involved and recognized as People of Action – without being a first responder. The District 6580 Assembly is the place to get the information you need to be a club that is prepared and able to respond in a positive, impactful way when disasters occur.

5. Youth Exchange: Help us get the word out . . . Rotary Youth Exchange changes lives! It builds peace one young person at a time. How can my club get involved? Rotary members, their families, and the community are important parts of a successful exchange. Hosting an exchange student can be an incredibly rewarding experience for your family. We need host families for the inbound students and securing host families can be the limiting factor that keeps clubs from participating. We also want to let the youth in our district know about the opportunity that exists to be a youth exchange student. Come learn how to develop this great program in your community!!

IF you have questions or need any help registering, please contact Bettye Dunham at bdunham@rauchinc.org or 502 609 1923.

DO YOU KNOW A TEEN THAT WOULD BENEFIT FROM RYLA???

**Club Commitment forms are due Sept 1st
Friday October 20– Sunday, October 22, 2023**

Operated by Indiana University at Bradford Woods, Morgan County

Please go to the district website at Rotary6580.org and click on Youth Services to find this and other forms for RYLA. If you have questions, please contact me at LASnyder@rwbaird.com or cell phone (317)-407-1837. (Note: Children/grandchildren of Rotarians are eligible.)

What is RYLA? –2023 ROTARY YOUTH LEADERSHIP AWARDS

RYLA is a Rotary-sponsored youth leadership training program for high school-age students. Each year, more than 9,000 young people are sponsored in RYLA programs by Rotary clubs in over 25 countries. The RYLA program takes full advantage of the beautiful wooded setting. Under the guidance of trained facilitators at Bradford Woods, RYLA participants gain valuable leadership skills through a variety of adventurous "learn by doing" opportunities.

RYLA participants sleep in cabins and spend most of their day in the outdoor setting. Daily activities are a part of the Bradford Woods Outdoor Challenge Education Program. Some of the activities are only inches from the ground while others are a bit more daring. All require the participants to take a risk, give 100% and be a supportive member of a team. All RYLA students grow in self-confidence, gain insights into positive group behaviors and interactions, develop leadership skills, make a lot of new friends, and have a lot of fun in the process.

Objectives of the Rotary Youth Leadership Awards Program

- * To acquaint RYLA participants with the fundamentals of Rotary's motto of "Service Above Self" and further demonstrate Rotary's respect, support and concern for youth. Rotary believes that "Youth are the future!"
- * To encourage and assist selected youth who demonstrate leadership potential in methods of responsible and effective voluntary youth leadership by providing them with unique training and personal growth experience.
- * To encourage continued and strengthened leadership for youth by youth.
- * To publicly recognize the abilities and attributes of many young people who are rendering a service to their communities as youth leaders, and who hold great potential as future leaders in their own communities.

Responsibilities of Participating Teens

Local Rotary Clubs make all arrangements and pay all RYLA program fees (\$275/student which represents an increase from previous years), so it is imperative that registered students make the commitment to attend RYLA for the entire weekend. Potential RYLA participants should check the dates carefully before committing to the program. The only other requirement is to come with an open mind and a desire to learn and have fun!

All forms can be found at the District website: rotary6580.org.

Mark your calendars: Celebrate Community Week is 11-17 September

from an RI email

For the third year, Rotary International, [Kiwanis International](#), [Lions International](#), and [Optimist International](#) are working together to celebrate and give back to our communities with a weeklong service event, to be held **11-17 September**.

Rotary and Rotaract clubs are encouraged to partner with local Kiwanis, Lions, and Optimist clubs on a project that will have a long-term impact in their community. (Use the club finder tools to locate [Kiwanis](#), [Lions](#) and [Optimist](#) clubs near you.) To get started, work with local social service organizations or government officials to learn what your community needs and how you can plan the most effective project.

DO YOU HAVE YOUR TEAM TOGETHER YET???

The 2023 Ryder Cup for the Rotary Foundation is

October 2nd, 2023
Hickory Stick Golf Course, Greenwood, IN

Open to Rotarians and Non-Rotarians!!

Competition between District 6580 and 6560 (battling for golf supremacy)

Proceeds go to the Rotary Foundation

For format, cost and form go to:

[https://www.dacdb.com/Rotary/Accounts/6580/assets/Ryder%20CUP%20FOR%20THE%20ROTARY%20FOUNDATION%20FLYER%202023%20\(1\)%20%20word.docx](https://www.dacdb.com/Rotary/Accounts/6580/assets/Ryder%20CUP%20FOR%20THE%20ROTARY%20FOUNDATION%20FLYER%202023%20(1)%20%20word.docx)

If you have questions about fielding a team please respond to
Bob Browning <http://bobbrowningcpa@gmail.com>

We are again hosting the 2023 Rotary Ryder Cup for the Rotary Foundation and battling District 6560 for golf supremacy. It is the same format as last year with the proceeds going to the Annual Fund of the Rotary Foundation. If you recall, 50% of what we raise will come back to our District to be used for programs such as District Grants. The event is October 2nd at Hickory Stick Golf Club in Greenwood. The goal is for each district to field 36 players (18 two-person teams). NOTE: Open to Rotarians AND non-Rotarians so bring your fellow golfers!!

Rotary Club of Dubois County donates \$9,000 to local area Nonprofits

Grant awarded to Southwest Dubois County School Corporation for biliteracy program.

by Deidra Church, Public Relations Chair, Dubois County Rotary Club

The Rotary Club of Dubois County recently donated a total of \$9,000 to three local area nonprofits as part of their 2023 Community Grants program. Recipients of this year's grants were the Southeast Dubois School Corporation, Memorial Hospital and Health Care Center's Women and Infant Services, and the Southwest Dubois County School Corporation.

"We continue to be amazed by the monumental impact the nonprofits of Dubois County have on our community," said Rotary Club of Dubois County Community Grants Committee Chair, Christian Blome. "This year's grant recipients are providing opportunity, preparedness, and security for the children and families we work and live alongside every day. I could not be prouder of our club for supporting such fantastic organizations."

Applications for the community grants were required to match one of Rotary's seven areas of focus: 1. Promoting peace 2. Fighting disease 3. Providing clean water, sanitation, and hygiene 4. Saving mothers and children 5. Supporting education 6. Growing local economies 7. Protecting the environment

Grant awarded to Southeast Dubois School Corporation for Emergency Backpack initiative.

This year's top grant recipient, at \$4,000 was the Southeast Dubois SchoGol Corporation in support of their Emergency Backpacks initiative. **This grant was made possible by a partial match from Rotary District 6580.** "Southeast Dubois School Corporation is thrilled to receive the Rotary Club of Dubois County's generous donation to build our Emergency Backpack Program in our schools, said Leslie Luebbehusen. "Our staff has been trained in ALICE protocols, so the funding for these backpacks allows our staff to have tools in hand in the classroom to keep our students and faculty safe in the face of danger. Our schools and community thank the Rotary Club of Dubois County's generous donation to make this possible."

Grant awarded to Memorial Hospital Foundation to help supply diapers and children's books.

\$2,700 was allocated to Memorial Hospital Foundation to support Memorial Hospital and Health Care Center Women and Infant Services. "We are thrilled to be able to supply all of our delivering families with a large box of diapers and a children's book," said Erica Arthur. "This grant from the Rotary Club of Dubois County helps to close any gaps that might exist within families in providing essentials to their newborn. We are also able to ensure that everyone receives a book, thereby reinforcing the importance of reading and engaging minds at a very early age."

Finally, \$2,300 was granted to the Southwest Dubois County School Corporation. "Southwest Dubois School Corporation is thrilled to express gratitude to The Rotary Club of Dubois County for their contribution to our biliteracy program: Fuertes Together," said Rossina Sandoval. (See picture above). "Rotary's commitment to education equity and community development shines through their generous donation, which will help support the monthly program hosted in partnership with Huntingburg Public Library."

In addition to providing funding for each of these important causes, Rotary Club of Dubois County members will participate in portions of the programs – from stuffing backpacks to choosing and stamping books to reading to children. The club will certainly display their service in action in 2023-2024.

Rotary Club of Dubois County Community Grant funds are made possible by activities hosted by the club, including the ATHENA Banquet, the Cornhole Tournament of Champions, Leadership Luncheons, and the Economic Forecast Luncheon.

Bring the Family!!

SOMETHING FOR EVERYONE
Come to Loogootee!!

Pumpkins for Polio at Lark Ranch in Loogootee
SUNDAY, October 22nd, anytime between 11 and 2

Check it out!! larkranch.com

October 22, 2023 All Rotarians and families from District 6580 are invited to Lark Ranch in Loogootee for a family fun Pumpkins for Polio fundraising event! Lark Ranch is **full of fun activities for everyone in your family**. Whether you're young or old there is something exciting for everyone. **It's the Ultimate Fall Experience! I personally love the real train rides, the 8-acre corn maze, the mechanical bull, amusement park rides, giant slide, apple cannons, pumpkin patch, and the tractor playground. To see some other favorites go to <https://larkranch.com/rides>**

Rotarians are invited **at no charge** on October 22nd. This is just 2 days before World Polio Day.

Our goal is to **HAVE FUN**, meet other Rotarians in a family-friendly atmosphere, and to **raise money and awareness for our Rotary End Polio Now campaign**. We will have a Rotary welcome tent inside the gates from 11-2 for you to check in and we will have an End Polio Now program around 2pm (follow the signage inside). There will be opportunities for you to join the Polio Plus Society, make donations in your name (checks preferred), and for us to collect End Polio Now donations from the public.

They have created the perfect atmosphere of fun and a foundation of giving. Please join us for our Rotary Day at Lark Ranch, Pumpkins for Polio.

Rotarians are People of Action! Responding to Desperate Need - Hawaii

by Steve Kiger, Disaster Response Chair

As we have all been overwhelmed by the devastating fires that swept over Maui August 9th, let us not forget that out of the ashes of such tragic events will eventually come renewal if we, as Rotarians, unite to continue to live out our motto of Service Above Self.

There are two specific ways we can do that.

First, become aware of the recovery effort at all levels. There are trusted sources you can go to as you and/or your club try to decide how best to help. Here are a couple of those links:

<https://www.fema.gov/disaster/4724>

<https://www.ready.gov/recovering-disaster>

Once informed, the second thing you can do is choose how to financially support the recovery efforts. As Rotarians, we have trusted plans and people in place who can help funnel Rotarian funds to the point of need. Please see the article below from Rotary District 5000 District Governor Mark Merriam about how you and your club can best help during these challenging days.

August 9, 2023 was a tragic day for our Rotarians, families and friends on the Island of Maui. The fires across the island have changed lives forever. Truly devastating. Our sympathy, thoughts and prayers are with everyone impacted.

As people of action, we can take immediate action. As we come together to recover and rebuild, we need to support each other. We need to Create Hope for Maui.

Through our Rotary District 5000 Foundation, a relief fund has been established. Foundation President Dave Hamil and Treasurer Sharon Amano will handle all donations. A committee will be organized shortly to find the greatest needs for distribution of monies. A single fund will be the most helpful over time to provide the most significant benefits.

Please consider donating to this special fund, Maui Fires Relief Fund.

Mahalo to the Rotary Club of Waikiki for collecting monies at their lunch meeting today. These are the first contributions to the fund.

To donate go to: <https://rotaryd5000.org/stories/creating-hope-for-maui-rotary-district-5000-launches-maui-fires-relief-fund>

Please also widely share this opportunity to help.
Stay safe, take care and mahalo for creating hope.

Mark Merriam, District Governor
Rotary District 5000, Hawaii, USA
Donate today!

District 6580 partners with other Districts on Rotary Disaster Response Grant to provide relief to Ukraine

From emails received from lead district 6510

District 6580, in partnership with Districts 6510, 6560, and 6490, applied for, and has been awarded, a grant to provide economic development assistance to District 2232 in Ukraine in the amount of \$99,825. This grant is through a fund set up only for Ukraine and is based on monies coming to RI and TRF named specifically for use in Ukraine only. The districts involved do not need to use any of their foundation monies for a match. District 6510 is the lead district in this grant.

Grant funds have been approved to provide special vehicles requested from Kharkiv, Kherson, and Kramatorsk. These include:

1. Excavator New Holland LB115B for Kherson State Emergency Service, \$37.885

2. Ambulance Renault Trafic, for Kramatorsk city hospital, Donetsk region, \$14.357

3. Truck, IVECO DAILY 35C16, for Administration of Kherson, \$19.885

4. SUV, Mercedes ML, for Kharkiv State Emergency Service, \$5.950

5. Tractor Renault Magnum 520 for Kharkiv State Emergency Service, \$21.775

Total Amount:* \$99.825

More information and pictures will be shared as we learn more about the implementation.

Rotary clubs TEAM UP to support Teachers Warehouse

Mark Uebel of Martinsville Rotary, IU Ph.D. Candidate Whitney Cordoba of Columbia, and Liz Feitl of Bloomington Rotary solicit school supplies in support of Teachers Warehouse.

by PDG Jim Bright, Bloomington Rotary Club

Dozens of Rotarians representing five Rotary clubs (the three clubs, Brown County and Martinsville) collected school supplies from customers at four Kroger stores, Office Depot, and Staples, on Saturday, July 22.

Bloomington Rotary Club President Ron Barnes, formerly president of the Teachers Warehouse board, drove between stores and delivered supplies to the Warehouse.

For the first year, Martinsville Rotary partnered with their community's Kroger store and collected supplies.

Bloomington Rotarian Marilyn Wood, treasurer of Teachers Warehouse, managed the project that resulted in donations of more than \$2,000 in cash and school supplies valued at more than \$11,000. Twenty-eight of the more than 50 volunteers are members of Bloomington Rotary.

From visioning to researching, planning, and implementing, Ron Barnes and Craig McDonald can take credit for the digital transformation of Teachers Warehouse. They've made it possible for shoppers to shop via barcodes instead of pen and paper.

Past District Governor Judy Witt and the Bloomington Rotary Club founded Teachers Warehouse as a Rotary Centennial project in 2004.

Today, the nonprofit organization provides free school supplies to public school teachers in Monroe, Lawrence, Brown, Greene and Owen counties and in the Martinsville City school district.

Businesses and individuals donate new and gently-used supplies throughout the year, and volunteers clean, sorted, package the supplies and place them on shelves.

Last year, 1,204 teachers shopped at Teachers Warehouse and received supplies valued at more than \$510,000.

Time to CHECK on your Interact Clubsor START one!!

New Albany Interact members

by Janie Whaley, District Interact Chair

Throughout Indiana, schools are in session for the 2023-2024 school year so it is time to check on your Interact Club, or start one if you do not have one already. Interact Clubs provide a way for students to internalize “Service Above Self” and give back to the community.

The clubs can participate in Rotary Club service projects or partner with other groups engaged in community service. For some examples, our Interactors have worked on the Friends of the Library Book Sale, made cards for veterans for Thanksgiving, volunteered to “ring the bell” for the Salvation Army and helped shop for the gifts, collected hats and scarves for victims of flooding in nearby Kentucky and more. The New Albany club also raised money for the polio effort and last year donated to ShelterBox.

(NOTE: Let us hear what your Interact club is doing so we can include this in the newsletter!!)

Don't forget to celebrate their successes—food is always good! Also, always have a standing invite for Interact students to attend your club meetings!

The New Albany Interact club meets twice a month, working around school vacations. At each meeting I give a “Rotary Minute,” which is a short presentation on Rotary structure and outreach activities. These students will know and recognize Rotary as they become adults, and hopefully, Rotary members.

Congratulations to Greenwood H.S. Interact Club for re-activating their charter.

We currently have 23 Interact Clubs in District 6580 so there is room for growth! Please contact me if you have questions or need more information.

Janie Whaley, Interact District Chair 6580
janie.whaley@twc.com
