"Mediation Response Unit: A First in the Nation Alternative Response Program"

Raven Cruz Loaiza, Mediation Response Unit Coordinator for the Dayton Mediation Center will be speaking about the Unit. They are a City of Dayton program under the umbrella of the Dayton Mediation Center and are an alternative response team that responds to low emergent 911 calls within the City of Dayton. The program was formulated after the police reform talks began in 2020 and the working groups identified recommendations for the community of Dayton. The Unit is a team of trained responders with a wealth of experience and certification in areas such as crisis response, de-escalation, conflict resolution and community development and relationship building.

Outstanding Club Member Recognition

Congratulations to Bill Nance who was named our outstanding Club Member of the year at the President's Club of Dayton Outstanding Service Club Member Breakfast on May 11th.

Bill joined the Dayton Rotary Club in 1987 and has been a dedicated volunteer since day one! Because of his professional career in radio, Bill naturally began helping us during our weekly meetings as "announcer" of news. Every Monday, Bill is always on-hand to provide an invocation, lead us in the pledge to the flag, share some news of the day and a bit of comic relief. Our members have come to expect to hear Bill kick-off each meeting with important information and he always does it with a warm, friendly smile. His dedication to our club and members is remarkable and we are fairly certain that if we tracked attendance, he would likely have 36 years of perfect attendance at our Monday lunch meetings. He serves our club in a way that few

other members can and for that we are very grateful and

appreciative. We are happy to have this opportunity to recognize Bill for his dedication and his "service above self."

We also wish to congratulate Rotarian, Mollie Hauser who also was recognized at the President's Club Breakfast for her volunteer work for the Dayton Women's Club.
