#### This Week at Rotary

MONDAY, June 26, 2023

Sinclair Community College - or on Zoom  
"Changing of the Guard"

It's time again for the annual changing of the Rotary Guard. Walt Hibner will review the highlights of his year as President, and he will then pass the gavel to Kim Bramlage who will share with the club what her goals are for her Presidential year.

#### This Happened Last Monday...

President Walt Hibner called the meeting to order at 12:15p. Bill Nance provided the invocation, Today: Today you may not get the answers but if you pray you will have faith to keep asking God for them. Today; Today you may not win the battle but if you pray, God will give you the strength to fight another day. Today; you may not get out of the story but if you pray God will give you peace within the story. Today; Pray.

Judy Budi welcomed our visitors to the meeting. Jack Lohbeck brought Bob Crawford from Polar Group. We had zero guests on Zoom.

President Walt Hibner presented a Foundation check to Sleep in Heavenly Peace to Jeff Mogg. "No Kid Sleeps on the Floor"

Terry Offenberger introduced the guest speaker for the day: **Jacob Shelley from the Emerge Recovery Center**. Founded in June, 2021 by three entrepreneurs with successful businesses in the skilled trades, Emerge Recovery & Trade Initiative was created to address the workforce shortage in the skilled trades and the increasing needs for emancipated youth and those battling addictions to lead healthy and productive lives with the core values of Faith in God, Compassion, Honesty, Humility, and Perseverance.

When the former Greene County Career Center was scheduled for auction in March, 2021, Chris Adams, Narrow Path Plumbing, Kip Morris, Five Star Heating & Cooling, and Doug Van Dyke, Van Martin Roofing took the bold initiative to purchase the property located at 2960 W. Enon Road in Xenia, Ohio. This venue will serve as a workforce catalyst to expand their second chance employer model and home for comprehensive services for men and women in recovery and youth as they age out of the foster care system.

The Emerge campus includes 45 acres and more than 200,000 square feet of mixed-use space. The holistic ecosystem of care will allow for all services to occur at one location, including residential, case management, SUD treatment, group and individual counseling, faith-based opportunities, life skills, mentoring, vocational training, apprenticeships, and job placement.

Phase One renovations began to the 10,000 square foot men's recovery space in December, 2022 and were completed in June, 2023 with the ribbon cutting taking place on June 16th. Phase Two will be a women's space and Phase Three will be for youth aging out of the system.

For their target population who have experienced trauma and the stigma of addiction, Emerge's unique model will provide the pillars that lead to productive lives and long-term recovery: home, health, community, and purpose, while creating social equity in the skilled trades through certifications for individuals often overlooked for employment.

Next Week's Program: "Changing of the Rotary Guard". Queen of Hearts pot is up over \$1700. There was no winner this week.

## Rotary Golf League 2023

For many reasons, the Rotary Golf Committee decided not to do our traditional 1 night per week 9 hole league in 2023. Instead, we are hoping to schedule 5 or 6 golf events where we play 18 holes at a high quality course. We recognize that it may be impossible to play each time, but our hope is that we can fill 12 slots each date that we schedule.

Courses are scheduled as follows:

Course	Status	Date	Time
Walnut Grove	scheduled	June 27th	1:00 PM
CCN	scheduled	July 26th	1:00 PM
Dayton CC	scheduled	August 11th	9:00 AM
Miami Valley	tentative	September	
Sycamore CC	TBD	TBD	

We will solicit interested golfers and develop an email list to email 2 weeks before the scheduled date. The first 12 to respond will get the slot. We will keep track of those that don't make it in so that if there are cancellations, we can fill those slots.

All green fees and cart fees will be paid when signing in at the course on the day of play. All refreshment and food charges will be paid by everyone directly with the course.

Please call or email Jack Lohbeck with any questions. 937-620-7481 [jlohbeck1949@gmail.com](mailto:jlohbeck1949@gmail.com)
