## NOVEMBER 2024 NEWSLETTER

As we gather with family and friends to celebrate Thanksgiving, let us take a moment to reflect on our blessings and embrace the true spirit of this holiday, which embodies the Rotary motto, “Service Above Self,” in our daily lives.

For Rotarians, Thanksgiving is more than just a holiday; it’s an occasion to appreciate the past year's memories while looking forward to another great year and the good work that we will continue to do:

- Although the global eradication of Polio has not yet been achieved, Rotary remains committed to the fight until it is eliminated.
- We have the opportunity to meet weekly, listen to inspiring speakers, network, and enjoy fellowship with fellow Rotarians. There is so much we can share.
- We will raise funds and invest our time and resources to support initiatives that significantly enhance the lives of children and families in our local and international communities.

We are dedicated to making a positive impact worldwide.

Happy Thanksgiving!

**Rotarian Assma Ali was the October 15, 2024, guest speaker for the Professional Women's Association of Jackson, MS.**

***Congratulations to Rotarian Tina  
Clay, City of Jackson Ward 2  
Councilmember Elect!***

Asked how she was feeling after being declared the victor, Clay kept it brief. "Excited, happy," she said. "Ready to hit the ground running." Clay said two big issues she wants to focus on in Ward 2 are crime and economic development. "I'm going to work with the Chief (of the Jackson Police Department) and make sure he has whatever he wants," Clay said. "As far as development, I'll start looking into the community to see what needs and opportunities there are. Just thinking outside the box and creating some opportunities for growth in the community."

Clay, 61, is an insurance agent for State Farm, according to her webpage, serving Hinds County, Rankin County and Madison County for more than 30 years. Her husband, Henry, is a municipal court judge in Jackson. The Clays have one daughter, Hope. Clay grew up in Jackson and Hattiesburg. She received a bachelor's degree from the University of Mississippi and her master's at Millsaps College. She is active in various community groups, including the Rotary Club of Jackson, Extra Table, and Andrew Jackson Council of Boy Scouts of America.
