

Rotary Club of LaFayette, Alabama club dues policy –

During the Oct. 29, 2019 Rotary Club of LaFayette, Alabama Club Board meeting, the following policy regarding payment of club dues was adopted:

“After receipt of the second invoice, if dues are not paid in full by the due date of the second invoice, membership will be automatically suspended. Reinstatement is contingent upon payment in full of any past due amounts.”

A club member can be one quarter behind in dues, but if you become behind two quarters, then the dues must be paid in full by the due date of the second invoice, or your membership in Rotary will be automatically suspended. To be reinstated, you must pay all owed dues in full.

Club members with questions or concerns about the status of their dues payment may contact the Club President or Secretary/Treasurer.
