

MINUTARIAN from DG Deborah for the WEEK OF JULY 5, 2021

July is **Transition Month** but, it is really about **NEW BEGINNINGS**. So, we should exercise our **NEW mind, NEW heart and NEW spirit** to accomplish our Service Attitude. As, we embark on this new journey to **“SERVE TO CHANGE LIVES”**, I realized this is our time to reassess the mission of our lives and the communities of which we live and serve. Refocus on the objectives and realign our goals to establish a **NEW BEGINNING**.

Once, we ignite and engage one another we will be able to capture the essence of being a **“SERVING ROTARIAN”**. Our theme for 2021-2022 intensifies our roles and functions within **ROTARY**. We as Rotarians will continue to be **“PEOPLE OF ACTION”** and **“SERVE TO CHANGE LIVES”**, because one of those lives is your own. Together, we see a world where people unite to take action to create lasting change around the globe, in our communities and in ourselves. So tell more people about the **GOOD** work **ROTARY** does on a daily basis. We are the Ambassadors of **ROTARY**. Engage more with the communities where we live and serve. Finally, respect and support one another and have fun, because **“together we can and together we will”**. Thank you.

Yours in Rotary Service,

DG Deborah L. Williams
