

## April 3<sup>rd</sup> Imaginarian Conference Cruising Fun

The District 6890 Conference Cruise did not disappoint!

There was plenty of **Rotary Friendship, Fellowship**, and most of all .... **FUN!**

We had games and prizes, contests and prizes, raffles and prizes. Everyone got prizes!

But, the **Best Prize** of all was getting to know each other and bonding as part of our **District 6890 Rotary Family**.

**Three Rotarians** were gifted their **1<sup>st</sup> Paul Harris** on board ship, thanks to **PDGs Richard Borgstrom, Craig Sherman and Gary & Joyce Gunter**. It was a **100% Paul Harris Cruise!**

### Some Conference Cruise Highlights:

-  We visited a school in Cozumel where we painted walls, planted trees, donated musical instruments and worked alongside our new friends from the **Rotary Club of Cozumel**.
-  We learned about the school's ongoing project to transform into a Green School which focuses on creating a healthier, **Eco-friendly** community.
-  We met 4 **Rotary Youth Exchange Students** and even recruited a possible new **Rotarian** from Tampa.
-  We literally took over the ship on our last night, dressed as Pirates, and had fun pillaging, plundering and planting ducks while sharing **Rotary** with the other cruisers.

Most of all, we worked side by side, played side by side, and strengthened our bond as **District 6890 Rotarians!**
