

April 9th Imaginarian
The Beginning of the End

April, for **Rotary**, marks the **Beginning of the End**..... **The End** of the **Rotary Year** that is. For the past nine months our **Club Presidents** have confidently led their clubs with amazing results. Under their leadership, impactful things have happened all over **District 6890!** As we head towards **June 30th**, it's time to prepare for the transition to next year's **Rotary Leadership**. Hopefully, all our clubs have selected their **new leaders**, entered the information in **DACdb** and have encouraged their **new leadership** to attend the important **District Training opportunity** on **April 29th**.

In addition to our **District Training Assembly**, there is a lot of information available to help with this transition:

- **DACdb**– click on the **Support** tab at the top for a list of helpful topics to assist you as you navigate DACdb.
- **My Rotary | My Rotary** – once you log in, click on **The Learning Center** for interactive tutorials.
- **Rotary International Zones 33-34 | Service Above Self (rizoness33-34.org)** – click on **Resource Library**

These valuable resources are available for all **Rotarians** who want to learn more about **Rotary**.

Upcoming District Events:

- Apr 13 District Speech Contest Finals**, Bartow Public Library, 5 pm. Come and support our youth!
- Apr 15 Bartow Rotary Club's Wild Game Dinner**, 6 pm - Leland Young's Barn. For tickets visit: facebook.com/BartowRotaryInternational or contact dhollin5011@gmail.com
