

December 12th Imaginarian Home

December Holidays seem to evoke a sense of **Home** and all that it means to each of us.

As I think about the season, it is my wish that each of you recognize and embrace the notion that you have a **Rotary Home**. Along with all the other places, spaces and people in your life, you have a seat at the **Rotary Family** table. Our **District 6890** is home to over **1690** of us who engage in the life of our communities. We ring bells for other organizations and wrap gifts for kids. We pack meals and deliver supplies for hurricane survivors. We honor our veterans. And, along the way we make friends.

As we scroll through your **Rotary Club's** Facebook posts, websites, and newsletters, we see you in action. Your pictures tell the **Rotary** story, and we encourage you to keep posting so that we can share this purpose with others who may want to share these experiences with us.

As you plan for the new year, please send us your upcoming events so we can share with your **District 6890** family.

And don't forget these two other opportunities to experience **Rotary**:

- The **District 6890 Imagination Cruise District Conference** sailing on 3/27/2023. <https://csherman.dreamvacationsgroups.com/index.html#/groups/10763769>
- The **Rotary International Convention** is in Melbourne, Australia. Deadline for early bird discount is Friday December 16th. <https://convention.rotary.org/en/melbourne>

Thank you for making **Rotary** your **Home**. Your commitment to **District 6890** is on display for all to see!!

The holiday season is a perfect time to reflect on our blessings and seek out ways to make life better for those around us." –Anonymous
