

## January 29, 2023 Imaginarian #People of Action

What does it mean to be **People of Action**? Let's take a look at the **Rotarians** in our own **District 6890!**

- As **People of Action**, we **Inspire Hope**, as demonstrated by the **Rotarians from the Tampa Club** helping out at **Metropolitan Ministries**.
- As **People of Action** we **Make a Difference** like **Rotarians from the Highlands Rotary Club** who raised money for their community at their annual **Crazy Pepper Chili Cookoff** with support from **Lake Placid Noon and Sebring Rotary Clubs**.
- As **People of Action** we put our motto **Service Above Self** to work as evidenced by the **USF Rotaract Club** who planted 274 bald cypress trees and cleared debris and trash from a local swamp.
- As **People of Action** we **Grow More and Do More** by constantly recruiting new members to join our Rotary Family. This week the **Rotary Club of Lake Placid Breakfast** inducted three new members, and the **Rotary Clubs of Hardee County and Brandon '86** added one new member each.
- And, as **People of Action** we **Do Good in the World** by supporting **The Rotary Foundation** which impacts people and communities all over the world. This week members of the **Rotary Club of Ybor City** awarded a **Paul Harris Fellow** and the **Rotary Club of New Tampa** celebrated **Rotarian Frank Moore** who achieved **Major Donor Status**.

Tell us about your **Rotary Club's People of Action**. We would love to share them and don't forget to **#People of Action!**
