And Fifth.....Is it Fun?**

Traveling around the **District**, it is great to see the way our **Rotary Clubs** include the unofficial fifth element of the 4-way test in their meetings. ...**Is it Fun?**

For instance, the **Rotary Club of Lake Placid Noon** has incorporated plastic clappers in their meeting instead of applauding by hand. It definitely meets the criteria for **fun** when a whole room of these clappers are put in action.

The **Rotary Satellite Club of New Tampa** has incorporated **“Wheelie”** as part of their monthly member recognition. Each month this giant **Rotary Emblem Necklace** is awarded to a deserving member to wear through out the month and post pictures as they travel about their community with **“Wheelie”**.

Another fun club practice that most clubs do are **Happy Dollars**. Did you know the **Rotary Club of Fishhawk Riverview** has 100% club participation in their **Happy Dollars?** Every week, **every member**, shares with their club at least one thing they are happy about. What a great way to learn about your members and have **fun** at the same time.

Remember.... it’s the **little things** that can add up to **BIG FUN!**
