

## May 7, 2023 Imaginarian Preparing for the End

All over the District, May is filled with events that mark the end. Graduation ceremonies mark the end of high school or college. Week long testing marks the end of the school year. As all these events occur, so must our **Rotary Clubs** prepare for the end of the **Rotary Year**.

### Three important ways to help your Clubs prepare:

1. Update your goals in **Rotary Club Central** to insure your club will receive the **Rotary Citation**. It's a great way to help your **PE** enter their goals in preparation for next year. Deadline is June 30th!
2. Make sure your **Club's leadership** is updated in **DACdb** so your incoming leaders can receive important communications regarding their respective roles.
3. Send in your **District Designated Funds Grant Application** to Matt Hollosy by May 31, 2023. (Don't leave money on the table!)

**We can't wait to celebrate with you the many successes of 2022-2023!  
It has been an amazing year!**
