

November 27th Imaginarian Generations of Service

Everywhere we turn, there are multiple generations of us, at work, at play, and in service, and **Rotary** is no different. We have multiple generations of **Interactors** and **Rotaractors**, experiencing service and fellowship that can last a lifetime, working alongside **Rotarians** who are well into their sixth decade of **Rotary**! This week we learned that the **Sickle High School Interact Club** and the **Westchase Rotary Club** worked together packing boxes for the **Samaritan Purse- Christmas Child Boxes Project**. Coming up in December, the **Lake Placid High School Interact Club** and **Lake Placid Rotary Club** will raise funds together for **The Salvation Army** by helping out with the annual **Bell Ringing Campaign**. The [Million Dreams video](#) we shared last week further punctuates that, as **Rotarians**, walking alongside the younger among us, we can **Imagine the Future** and **Inspire the Good we can bring to the World**. Please let us know about your **Interact**, **Rotaract**, and **Rotary** activities. We would love to share them.
