Core Philosophy - “Service Above Self”

Rotary is a worldwide organization of business and professional leaders who provide humanitarian services, encourage high ethical standards in all vocations, and help build goodwill and to promote peace and understanding throughout the world. Members of Rotary Clubs are part of a diverse group working to address various local community and international service needs. Rotary has a motto, “service above self” that is meant to act as a reminder of a way of living.

Object of Rotary

The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and to encourage and foster:

1. The development of acquaintance as an opportunity for service;
2. High ethical standards in business and professions: the recognition of worthiness of all useful occupations; and the dignifying by each Rotarian of his occupation as an opportunity to serve society;
3. The application of ideal of service by every Rotarian to his personal, business and community life;
4. The advance of international understanding, good will and peace through a world fellowship of business and professional persons united in the ideal of service.

The Four Way Test

Of the things we think, say or do

1. Is it the TRUTH?
2. Is it FAIR to all concerned?
3. Will it build GOOD WILL and BETTER FRIENDSHIPS?
4. Will it be BENEFICIAL to all concerned?

The purpose of the Four Way Test is to act as a guide when making decisions. By asking ourselves these questions and having a ‘yes’ to each, one may then proceed with the idea at hand knowing that it will be helpful to all.

Rotary is an International Organization

There are over 32,000 Rotary clubs around the world. Each one is an autonomous organization with its own officers and board of directors, goals, policies, and programs. Our club is organized as a corporation under the laws of Florida. In addition, it has its own non-profit corporation under 501(3) which is approved to accept tax deductible charitable donations.

The Rotary clubs, in turn, belong to an international organization named Rotary International, and operate under a charter from it. Our charter was received in 1961. Rotary International (RI) is governed by its own President and a Board of Directors elected from all over the world. It, too, sponsors its own 501(3) non-profit, called The Rotary Foundation.

Rotary International is divided into territories within which a group of clubs is associated. These territories are known as Rotary Districts. Annually, each District elects a District Governor. Many of Rotary International's policies and programs are administered by the district governor with the help of district committees.

There are approximately 530 districts in over 200 countries, with a total membership of over 1.2 million individual Rotarians. The Rotary Club of Wellington belongs to District 6930 covering a large portion of southeast Florida.

Paul P. Harris organized the first Rotary Club in Chicago on February 23, 1905 with Hiram Shorey (originally from Litchfield, Maine), Silvester Shiele, and Gus Loehr. This club met in rotation at the offices of the members—thus the name Rotary.

The Rotary Foundation

The Rotary Foundation is a nonprofit corporation supporting Rotary International to achieve world understanding and peace through international humanitarian, educational, and cultural exchange programs. It is funded solely by voluntary contributions from Rotarians and friends of the Foundation.

The Foundation was created in 1917 by Rotary International's sixth president, Arch C. Klumph, as an endowment fund for Rotary "to do good in the world." It has grown from an initial contribution of \$26.50 to more than \$1billion. It has one of the largest and most prestigious international fellowship programs in the world and operates well-known health and humanitarian service projects.

Every Rotary club is asked that *every Rotarian* in the club contribute at least something *every year* (EREY). Individuals who have given \$1,000 become a Paul Harris Fellow or become a Paul Harris Sustaining Member with an annual gift to the foundation of \$100 for 10 years.

Our Rotary District 6930

For administrative purposes Rotary Clubs are placed in a District run by a District Governor (DG) supported by Assistant Area Governors and other District Officers and Committee Chairs www.rotary6930.org

Rotary District 6930 stretches along Florida's Gold, Treasure, and Space coasts from Titusville to Boca Raton. The district includes six counties: Brevard, Indian River, St. Lucie, Martin, Okeechobee, and Palm Beach.
