Mike Tatem – District Governor 2024-2025
The Governor's Visit

A core responsibility of your district governor is to visit all clubs in the district, either individually or in groups. The purpose of the visit is to provide support and encourage the good work you are doing as well as share the vision and some of the primary initiatives of the Rotary International President. The visit also gives a chance for the clubs to provide feedback to the district and to be connected to a larger Rotary family that is doing good throughout our district and around the world.

I hope that you will strive for maximum participation by publicizing the visit and encouraging your members to come and bring a friend. It will be a great introduction to the world of Rotary and maybe even provide a an opportunity for you to add members. If your club sponsors an Interact Club or has connection with a Rotaract Club, please consider inviting them as well.

It isn't mandatory, but I would be happy to meet with your leadership team to review, discuss, and encourage your club's progress toward the goals established through my.rotary in Rotary Club Central. I would love the chance to share in the successes your club has experienced either in planning or implementing your projects and events.

Additional Notes

- Please remember there should be no other program scheduled the day of the visit.
- Please allow 20 minutes for the address.
- It is customary for the Assistant Governor to introduce the District Governor when possible.
- I would like to meet with new and prospective members to welcome them to Rotary and, if you like, be a part of the new member induction ceremony.
- Gifts are not expected. If you wish to make a donation in my name to the Rotary Foundation, that would be greatly appreciated. My Rotary number is 6996645. For your convenience, I will have preprinted forms with my information. You would just have to add the amount and mail everything to The Rotary Foundation.
- I would love the chance to help the club recognize new Paul Harris Fellows, Multiple Paul Harris Fellows, Paul Harris Society, Major Donors, Benefactors or Bequest Society member during my visit, again, according to the wishes of club leadership.

Besides the official DG visit, I really hope to participate more fully in the life of your club by attending important club events such as:

- New member orientation programs or membership drive events
- Award and recognition ceremonies and presentations
- Rotary Foundation events or Signature Fundraising events
- Major service projects and Club-sponsored community events

Please let me know if you have any special requests or questions relating to the DG visit. I am looking forward to being with you.

Bio for Mike Tatem

Mike Tatem has been a pastor for 30 years, serving the last 18 years in Lake City, FL at Parkview Baptist Church. He was born and raised in Miami and except for a three-year term in the Army in Germany, he lived in Miami until 2006 when he moved to Lake City. Prior to being a pastor, he was a crew chief on a helicopter in the Army and then a transportation supervisor for Ryder Dedicated Logistics.

Mike has been a member of the Rotary Club of Lake City for 15 years. He served as Club President in 2017-2018 and has served multiple terms as the Club Treasurer. He served as District Treasurer in 2018-2019, Area Governor 2019-2022, and District Membership Chair from 2020-2023. It is now an overwhelming honor to be able to serve as the 111th Governor of District 6940.

He enjoys a good Netflix series, listening to podcasts, doing word puzzles and sitting in a deer stand. He likes being on a golf course even though what he does there can hardly be considered golf. Above all else, he enjoys spending time with his wife of 37 years, Judy, his two grown children and their spouses, and his five (with one more on the way in September) fantastic and completely adorable grandchildren.
