

We follow the Four-Way Test established by Rotary International.

Of the things we think, say, or do:

1. Is it the truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

And in Dr. Phillips – Is it fun?

Each Wednesday at 7:00 a.m., we have breakfast together at Arnold Palmer's Bay Hill Club & Lodge. Come spend time with us and get to know what we are all about.

What is Rotary?

We are people of action with a guiding principle:

Service Above Self! Solving real problems takes real commitment and vision. For more than 110 years, Rotary's people of action have used their passion, energy, and intelligence to act on sustainable projects.

Rotary members are like-minded, effective problem-solvers who create solutions that last because we invest in relationships.

We know how to mobilize our networks, and we are constantly learning from our experiences as we participate in our club and volunteer projects while managing our careers.

We Work Differently

At Rotary, we understand that cultivating a diverse, equitable, and inclusive culture is essential to realizing our vision of a world where people unite and take action to create lasting change.

- **We See Differently:** Our multidisciplinary perspective helps us see challenges in unique ways.
- **We Think Differently:** We apply leadership and expertise to social issues and find unique solutions.
- **We Act Responsibly:** Our passion and perseverance create lasting change.

We make a difference at home and around the world. Our members can be found in our community and across the globe.

Our global network of 1.4 million neighbors, friends, and colleagues volunteer their skills and resources to solve issues and address community needs. We are always working to better our world, and we stay committed to the end. Rotary members believe that we have a responsibility to act on our world's most persistent issues.
