No project may start until final approval is received from District 7360 and The Rotary Foundation

PLEASE ANSWER THE FOLLOWING QUESTIONS IN NARRATIVE FORM:

1. Briefly describe the proposed project. What will be done, when and where will the project take place, and how many people will benefit from the project. How will the project benefit the community?

Our club will purchase a dog waste station to be installed in the city of Shamokin, the location to be selected by the city manager. this will benefit the community by keeping the park plot clean and provide a place for citizens can safely dispose of their pet waste whe walking their dogs

2. How many club members will participate in the project and in what role? Is there a cooperating organization also involved and what will their role be?

Four to five members will choose the station and work with city officials in location of the station. Member will also assist city workers with installation (if needed).

3. Will the project be completed if less than requested funds are granted?

yes

If yes, will the project be modified if this occurs, and if so, how?

We are requesting the minimum grant amount but want to establish a precedent in our club of the importance and supporting the Rotary Foundation in order to have financial help to complete club goals.

4. How does this project reflect the mission of The Rotary Foundation?

It will provide a much needed benefit to keeping city park plot clean and aid in citizen responsibility in pet care and invoking pride in our park. It is our club's part in working with the Foundation to take action and hopefully create lasting change in our community.
