LEWISBURG SUNRISE ROTARY CLUB

Adam Wolfe, clinical director of Pivot Physical Therapy in Lewisburg was the recent speaker for the **Lewisburg Sunrise Rotary Club**. Pivot Physical Therapy is located in the Greenspace, the former Lewisburg High School. Their areas of expertise include functional evaluations for seniors, movement and injury screenings, Instrument Assisted Soft Tissue Mobilization, Kinesio taping, manual therapy, pre-and post-operative care, as

well as spine, sports medicine and total joint rehabilitation. Wolfe, right, is pictured with Rev. Marian Anderson, club president, and Marty Gates, club member.

Becky Perez, a member of the **Lewisburg Sunrise Rotary Club**, recently spoke to the club about the Rotary Youth Leadership Awards (RYLA), an intensive 3-day leadership experience that is open to area students at no cost. Developed by Rotary to help students worldwide, the

program aims to connect students with leaders in their community; building communication and problem-solving skills; discover strategies for becoming dynamic leaders in their school or community; learn from speakers and peer mentors; unlock their potential; have fun; and form lasting friendships. She is pictured (right) with club president Rev. Marian Anderson.

COUDERSPORT ROTARY CLUB

Coudersport Rotary Club was pleased to present Rotarian John Abplanalp with Rotarian of the Year for his continued commitment to the values of Rotary. John is a vital member of Rotary who is always the worker "behind the scenes" and available to make any project a success. Pictured right are: Rotarians John Abplanalp and Paul Herzig.

Coudersport Rotary Club was please to collect gifts for Coudersport Elementary School students in need at

their annual Christmas party.

Each year, Coudersport Elementary School Nurse, Sarah Fry, gives **Coudersport Rotary** an anonymous list of students in need along with their age, favorite color, and what gift they would like to receive. Rotarians shop for the students and wrap the gifts to give to Sarah to distribute to the students.

This year, Sarah Fry, with the help of **Coudersport Rotary Club** and community support, was able to provide 71 children from 26 families with gifts at Christmas. Pictured above are members of **Coudersport Rotary Club.**

EMPORIUM ROTARY CLUB

The Emporium Rotary Club recently held a gun raffle of a .22 caliber Henry rifle with proceeds of \$6,000.00 donated to the Cameron

County Ambulance Service.

Pictured above in the center is the winner of the Henry rifle, Dwayne Hopwood of Emporium, Pennsylvania. Also pictured are Rotarians, Brad Rinehart on the left and Denny Neal on the right.

RIDGWAY ROTARY CLUB

The Ridgway Rotary Club gave dictionaries to each third grade student at FSG Elementary School and St. Leo's Elementary School.

This project was started over 15 years ago under the leadership of Rotarian Gloria Almquist-Shull, assisted by Gloria Udarbe and Dr. Les Shull.

Physical dictionaries are important because they are accessible anywhere and help students to learn new words and to be self-reliant. A dictionary is the first and most important reference tool a child should own. It is the companion for solving problems that arise as a child develops their reading, writing, and creative thinking abilities. The Third Grade Dictionary Project is undertaken each school year and supported by the Ridgway Rotary Club as part of their literacy programs which also includes the First Grade Reading program, the Student of the Month program, the Four-Way Test Speech competition, and the Community Service Scholarship.

Pictured are left Rotarian Gloria Udarbe; and Gloria Almquist-Shull, right with the St. Leo's third grade class.

ST. MARYS ROTARY CLUB

The **St. Marys Rotary Club** is planning their upcoming auction scheduled for

Sunday February 27th. Rotarians are currently collecting items for the auction. If you are in donating to the auction, please call

814-834-1874 by February 1st. The **St. Marys Rotary Club** is planning another fun filled and exciting auction day and once again will be teaming up with The River 98.9 WQKY to broadcast the event. More information will be available in the coming weeks. Pictured are Rotarians Richard Eddy; Jason Dozor; Bob Roberts; Terry Hinton; Steve Nicklas; and Fran Levenduski.

ALTOONA SUNRISE ROTARY CLUB

Altoona Sunrise Rotary sponsors a monthly community service to The Mountain Lion Backpack Program.

Back Packs full of food are sent home each weekend to insure food security

HAGERSTOWN ROTARY CLUB

The **Hagerstown Rotary Club** adopted 10 homeless youth for Christmas, that are living at the Hagerstown Goodwill Shelter.

Pictured left to right are: President Jerry Spessard; Brooke Grossman of

Hagerstown Goodwill; and PDG Paul Frey presenting a check to purchase Christmas gifts for 10 youth.

The Club members donated \$1,700 and the Club matched the funds from a 50/50 raffle. A total of \$3,400 was donated for Christmas gifts for the 10 youth.

The staff of Goodwill shopped for the youth. Goodwill had a dinner and invited the **Hagerstown Rotary Club** members to meet the youth and each youth then opened their gifts. We were told that Goodwill asked each youth to make a list of what they would like for Christmas.

When the staff received the lists back from the youth the staff told the youth that Goodwill could not afford a lot of the gifts that were listed.

Then the Hagerstown Rotary Club heard about the homeless youth and decided to adopt them for Christmas.

At the dinner the Goodwill staff told the Rotarians that through the generous donation they were able to purchase all of the gifts for which the youth had asked.

Kirk Downey, 20 year member of the Hagerstown Rotary Club, holds the winning 50/50 raffle ticket worth over \$3000. The Club did a 50/50 to boost their treasury which had suffered due to the pandemic.

At a recent meeting of the Ridgway Rotary Club, Rotarian Gloria Udarbe shared the presentation of an American flag and certificate in honor of her husband, Dr. Guillermo Udarbe, by

the United States Air Force. The flag was flown in combat at an undisclosed location on November 11, 2021 in support of Operation Inherent Resolve. This presentation recognizes Dr. Udarbe's humanitarian and community

service to the Country, Pennsylvania, and the Ridgway community as the first Asian American mayor. Pictured with Gloria Udarbe is Dr. Vernon Ordiway, Rotarian and U.S. Air Force veteran.
