SHEPHERDSTOWN ROTARY CLUB

More than a dozen people turned out on Saturday, March 19, for the **Shepherdstown Rotary Club's** 35th annual spring trash cleanup

along Route 230 south of Shepherdstown.

The participants included Club members and individuals from the community. The accompanying photo

shows some of them. They are: Front Row: Gary Heichel; Austin Slater; and Matt Taylor. Back Row: Tom Miller; Steve Campbell; DG Dana Orsini; Linus Bicker; Fred D'Alauro; Jim King; and Katherine Gillis.

The Club was founded in 1987, and it has been conducting this cleanup twice a year since then, every spring and fall. The cleanup is focused on the two-mile section of Route 230 from the rail crossing in Shepherdstown to the Y intersection with Flowing Springs Road.

The cleanup itself began in 1985. A local couple, Conrad C. ("Connie") Hammann and his wife Mary Ann, initiated their own twice-a-year cleanups of this stretch of Route 230 that year in response to an effort by two other local individuals, Polly Hockensmith and Peggy Sharp, to do something about the area's most littered byways.

Mr. Hammann was a founding member of the **Shepherdstown Rotary Club**, and at his urging the Club quickly took over the Route 230 cleanup as one of its first community projects. Mr. Hammann coordinated the cleanup for the Club every year afterwards until he passed away in March 2015.

The State of West Virginia established its Adopt-a-Highway program in the late 1980s, and the Shepherdstown Rotary Club's cleanup was immediately recognized by that program. It is believed to be the oldest, continuously running Adopt-a-Highway cleanup in the state.

POTTSVILLE ROTARY CLUB

Pottsville Rotary Club had a program recently entitled, Happy Birthday Rotary. Rotary was 117 years old February 23. It was founded on February 23, 1905. There is a short video on You Tube which can be found at <https://youtu.be/mJ2T1G1WW>

To Historic notes of Rotary around the world, both well-known and obscure:

In 1905, Paul Harris and three business acquaintances form Rotary by “rotating” the meetings among their Offices. Within a year the Club was so large that they had to adopt a regular meeting place. The next 4 years Clubs were formed in San Francisco, Oakland, Seattle and Los Angeles. The first International Club was in Winnipeg Canada in 1910.

The first club outside of North America was Dublin Ireland in 1911. London England became a club in 1912. That club maintains the first club in Europe status since the Dublin Club was not chartered until later. Early clubs in other Nations included Cuba 1916, Philippines 1919 and India 1920. By 1925 Rotary had grown to 200 clubs.

In World War II Era, clubs in Spain ceased to operate at the outbreak of the Spanish Civil War. Many clubs disbanded during this time period. In Germany, under the Third Reich, Rotary Clubs were considered a secret society associated with Jews, and Nazi party officials were banned from joining. This order rescinded in 1933, but Rotary was forced to ban Jews from membership. The clubs tried to survive by showing loyalty to the government and Nazi Party. After the war, German Clubs worked hard to overcome the damage from the war years.

On the Japanese side, Rotary tried to resolve issues in the 1930’s to reduce tension and conflict in Asia, including having a leading Japanese statesman, Prince Tokugawa, as the Honorary Keynote Speaker at the Silver Anniversary Convention in Chicago in 1930. He served as the President of Japan’s Upper House of Congress for 30 years. It was only after his death in 1940 that Japanese militants pushed Japan to join the Axis.

1945 onward, Clubs in Eastern Europe and communist countries were disbanded in 1945-46. New Clubs in Africa and Asia were welcomed. Government control of community groups in Russia and Soviet Satellites eventually relaxed and clubs were formed in those Countries, starting with the Rotary Club of Moscow in 1990.

Rotary International worked with the UN since 1945, and maintains a consultative status today.

The Center will use its grant to enhance diversity learning by expanding its classroom learning centers to include music, books, games and art materials that reflect the multicultural world. The other grant, also for \$350, went to the Shepherdstown Public Library. This will help update its reference materials for children and teens. A message from our District Governor Dana.....

OUR DISTRICT
HELPING UKRAINE

Our District is truly amazing. This past week, we committed \$10,000 from our District Designated Funds to a Global Grant focusing on psychological help for the families of Ukrainian refugees. We also allocated \$10,000 from our DDF to the Disaster Response Fund to be used in the Rotary managed relief effort as we aid those affected by the crisis in Ukraine. This was only possible because of the generosity of Rotarians in our District that gave to the Annual Fund. These acts of compassion truly reflect the heart of our District as we “Serve to Change Lives”.

Thank you,

DG Dana

PLEASE JOIN US **IN HELPING UKRAINE**

The **Rotary Club of St Marys**, PA is issuing an invitation to all District 7360 Clubs to join us in helping our brothers and sisters in the Ukraine.

We have donated \$500 to Rotary's Disaster Response Fund and encourage all District 7360 Clubs to consider making a contribution.

This is not a challenge inasmuch as it is an open invitation for humanitarian aid to those affected by the events of the past month.

Please be as generous as you are able and join us in this very worthwhile endeavor.

May God bless you all for your generosity.

The Rotarians and their Families of the **St Marys, PA Rotary Club**.

UKRAINE CRISIS

Photo Credit: AJazeera.com

ShelterBox is responding to the Ukraine crisis. We have a team working in Poland. We are working closely with other organizations to ensure that together we help as many people as possible. We are working with partners to support people both in Ukraine and those who have fled the country to a neighboring country like Moldova.

We have aid on the way. We are working on three projects – two within Ukraine and one to support refugees fleeing the county.

1. We are sending mattresses to 'collective centers' like schools, churches and sports centers in western Ukraine. This will offer people who have fled their homes somewhere to sleep and keep warm at night.
2. We are preparing to provide shelter kits with tools and rope, high thermal blankets, hygiene kits including items like soap, washing powder and toothpaste, solar lights, buckets and water carriers to help people survive in buildings damaged by the conflict.
3. We will be supporting refugees in neighboring countries with high priority items they can carry with them, like hygiene items and warm winter coats.

Your support today will provide lifesaving aid for families affected by the Ukraine crisis. Any additional money raised will help ShelterBox provide emergency shelter to families affected by disaster around the world. We are currently responding in countries like Yemen, Syria, and the Philippines.

The purpose of each ride is to raise funds and awareness for Rotary’s Global Polio Eradication Campaign. Each ride starts and finishes at Mifflinburg Community Park, N. 5th St, Mifflinburg, PA.

Family Ride: Bike riders are encouraged to ride a part or all of the Mifflinburg – Lewisburg Rail Trail. This 9 mile off-road bike trail is suitable for children and adults that prefer a flat and leisurely bike ride. This ride will be self-paced and self-guided. Ride as far as you want and at the speed you want.

Easy Road Ride: 22 miles, easy pace and only 550’ of climbing.

Jacks Mountain 50: This 47 mile ride is for moderate to advanced road bike riders that enjoy changes in elevation. It is only 47 miles, but we are giving credit for 50. It is not a race! The 47 miles will be done at a moderate pace so that it is enjoyable for all experienced bike riders.

The suggested minimum donation per rider is \$25 for adults and \$5 for children under 12. All riders are encouraged to solicit addition donations toward their ride. The top fundraiser will receive a prize.

All donations are tax deductible and should be payable to “The Rotary Foundation” with PolioPlus on the memo line. Any gift of \$1,000 or more will receive a special recognition from The Rotary Foundation.

Not a bike rider? Become a “virtual rider” by making a donation and supporting polio eradication. Mail your check with this form or go on line and give at: <https://raise.rotary.org/District7360PedalsOutPolio/fundraiser>

Check-in for each ride will be at the gazebo in Mifflinburg Community Park from 8 – 9 am. Recognition of the top fund raiser will be at 9 am just before both rides start.

The first 100 registrants will receive a coupon for a 10% discount at the Rusty Rail Brewing Company & Restaurant located two blocks away along the Buffalo Valley Rail Trail. Virtual Riders can include a postage stamp when mailing your donation to receive your discount coupon.

Each rider/donor must have a separate registration form.

My signature on the entry form waives and releases Rotary International, The Rotary Foundation, Rotary District 7360 and each of it’s individual clubs, committees and Rotarians; other riders, and any party concerned with the Polio Eradication Bike Ride from any claims for damages should personal injury or property damage occur while participating in, or traveling to or from this event.

I further acknowledge that this is an unprotected road tour. There will be unrestricted traffic and I will abide by all rules of the road. I am responsible for my own safety and travel to the starting and ending points that I so choose. I realize that there will be hazards from traffic and road hazards and assume all responsibility for my personal safety. I warrant that I am physically fit for the ride and will wear a helmet.

Signature or Signature of parent/guardian for participants under age 18. Required for all riders.

**A message from PDG Jeff Coup,
District PolioPlus Chair.....**

Rotary District 7360's Pedals Out Polio is an individual request for every Rotarian in the District. This is the only time each year where we ask you to personally support PolioPlus and help Rotary eradicate polio forever. A copy of the Donation/Registration form is attached. We would love to see a big turn out of all levels of bicycle riding on Saturday, June 18th (use the attached form to register), but we understand that most of you will want to be Virtual Riders, showing your support for PolioPlus, by just making a gift to The Rotary Foundation designated for PolioPlus (again, use the attached form). Whether ride in person or virtually you are welcome to make your gift (and invite friends to make gifts) on our event website <https://raise.rotary.org/District7360PedalsOutPolio/fundraiser> This link is also listed on the attached form.

If you are one of the current 69 members of the District PolioPlus Society, this is the perfect opportunity to make your annual gift. You get your Foundation credit, your club gets credit for our Pedals Out Polio Event and you fulfill your annual pledge.

If you are not yet a member of the District PolioPlus Society and would like to join, an application is attached. Fill it out and a Pedals Out Polio registration/donation form and mail both with your check made payable to The Rotary Foundation for \$100 or more to the address on either form. I will get it either way and process both. All members of the Society receive a special lapel pin and certificate suitable for framing.

Pedals Out Polio is a fun way that we can all work together for polio eradication! Exceeding our \$10,000 goal will be no trouble if we all give our fair share!

Jeff
