

## Grant Opportunities for your Club

By District Grants Chair Shel Douglas & International Service Project Chair Colleen Bonadonna

These opportunities are available to partner with Rotarians from other Districts and Zones to make an impact in some other most needed areas of the world. The list is by no means, all inclusive. It only represents those opportunities we are aware of. Please feel free to reach out to us or the Contact identified in the list below for more information. If a club is working on or would like to participate in an international project, of any kind, please contact Colleen Bonadonna. We can direct you to opportunities as well as promote your project.
