By completing this form, I hereby grant permission to publish my name to the Club for corporate membership. I understand that:

- The Corporate Member will be the Rotarian. They will be allowed to designate a secondary member, who may attend meetings and/or events in their stead when they are not able to attend.
- The secondary member may attend with or without the primary member (Rotarian), and be charged as a guest when in attendance with the Rotarian. There will be no additional meal fee if the secondary member attends alone.
- The primary member (Rotarian) must adhere to the traditional membership attendance goal of 60% attendance, and complete participation requirements. The secondary member attendance or participation will not count towards the primary member's totals.
- Corporate Member dues will be 25% more than standard member dues are at the time.

Application fee is waived for existing BRMRC members transitioning to Corporate Membership. Because dues are billed in advance, your transition will begin in the next billing quarter.
