## Last Meeting

**Dr. Madhav Acharya** spoke on future demand trends for fuels of different types and briefly on progress for different alternatives for gasoline. He pointed out that in 29 years although alternatives will have increase the major demand and use would still be gasoline. He pointed that major problem was the variable cost of oil which producers could change to make alternatives less economical. Also he mentioned the problem of raising major investment capital needed for delivery systems in the face of uncertain future pricing and availability.

## Announcements

**President Frank** noted that we had received public notice in the Mclean Times for our scholarship assistance to Yana Aslim at Pimmit High School.

**Bob Hahne** said thank you to all for record contributions of \$750 per capita to the foundation and also pointed out we were very close to \$50,000 total giving to the foundation.

**Kathy Martin** passed the Committee Chair for the Literary Program to Ed Shahin and also displayed a large banner that Timber Lane school had presented us thanking us for our assistance.
