

Rotary Club of Charlotte-South BEACH BLAST GOLF CLASSIC

HELP US send 500 at-risk kids on an adventure!

30 years ago, the late Dick Keffer had a vision of taking underprivileged middle school aged kids to the beach for a day.

So each year the Rotary Club of South Charlotte has invited and taken upwards to 500 kids and chaperones to Myrtle Beach for a day of learning, playing and enjoying their first experience of sand and salt water. Throughout the year, each child “earns” the right to go on this trip. They are selected by their teachers based on a host of criteria to include academic effort and classroom citizenship.

For each trip 50+ Rotarians participate in this adventure making sure the kids are fed, taught water safety and entertained at the beach and on the bus ride to and fro. Your support of this year’s Beach Blast Golf Outing on October 9th will ensure this tradition continues.

October 9, 2017
PROVIDENCE COUNTRY CLUB
6001 Providence Country Club Dr.
Charlotte, NC 28277
