Visiting Angels provides compassionate senior care to families since 1998. As Caroline noted, they do not provide health care, but they do provide services like bathing, dressing and grooming assistance. They also help people while walking, medication reminders, errands, shopping, light housekeeping, meal preparation and companionship. Sometimes families use their services to provide a respite for family caregivers. Their workers are closely screened and do receive basic training from a nurse in assisting with moving clients and skills like CPR.</p> <p>Concluding Activities</p> <ul style="list-style-type: none"> * Happy Bucks: Connie, Joe, Brenda, Pauline * 50/50 Raffle: Joe won & donated it to the Club * Members recited the 4-Way Test. * The meeting adjourned at 8:45 am. <p>Respectfully submitted by Henry</p>
