AVENUES OF SERVICE - Service is the cornerstone of Rotary, and we need to incorporate service into our routine club activities and club discussions. MEMBERSHIP - Rotary International is a membership organization and our members are our most important resource. Membership growth is Rotary's number one internal priority and is every Rotarian's responsibility.

Club leadership must plan vibrant club activities and events to engage and retain all club members. Clubs should implement Intentional Growth Strategies and Discover Rotary as part of their Membership Growth Plan. Clubs should ask "does our club membership reflect the diversity of the community we serve?" Embracing Inclusion strengthens membership growth. Clubs are encouraged to conduct periodic health checks because members who have a positive Rotary experience are more likely to stay.
