

Welcome to our website! And thank you for your interest in the Rotary Club of Mystic. Our Club consists of community-minded men and women who are dedicated to making a positive impact on the greater Mystic area. We enjoy both the social aspects of being Rotarians as well as the opportunities Rotary provides to donate our time and our talents in the community performing service projects.

Our biggest fundraising project each year is the Mystic Half Marathon and 10k. With the proceeds from our fundraising activities, the Rotary Club of Mystic offers scholarships to local students, donates thousands of dollars to local non-profits and supports global initiatives.

Rotary International is comprised of approximately 1.2 million members globally. It is an honor to be a Rotarian and to be part of an organization with the scale, scope, and commitment to take on some of the world's most pressing challenges. As Rotarians, we strive to live and work with our Club motto in mind, "Service Above Self."

I invite you to explore our website, our Facebook page and [www.rotary.org](http://www.rotary.org) for more information. In addition, please feel free to visit us in person. We meet on Mondays for lunch at 12:15pm (except holidays) at the Mystic Hilton in Mystic, CT. On behalf of myself and the other ~60 Mystic Rotarians, we look forward to meeting you.

Cheers,

Dave Cruthers

President 2018 - 2019
