The district may also establish additional requirements for club qualification and/or require its clubs to be qualified in order to participate in district grants. By completing these requirements, the club becomes qualified and eligible to participate in Rotary grants.

- A. Upon successful completion of the qualification requirements, the club will be qualified for one Rotary year.
- B. To maintain qualified status, the club must comply with this MOU, any additional district requirements, and all applicable TRF policies.
- C. The club is responsible for the use of funds for club-sponsored grants, regardless of who controls the funds.
- D. Qualification may be suspended or revoked for misuse or mismanagement of grant funds involving, but not limited to: fraud; forgery; membership falsification; gross negligence; endangerment of health, welfare, or safety of beneficiaries; ineligible contributions; use of funds for personal gain; undisclosed conflicts of interest; monopolization of grant funds by individuals; report falsification; overpricing; acceptance of payments from beneficiaries; illegal activities; use of grant funds for ineligible purposes.
- E. The club must cooperate with any financial, grant, or operational audits.

2. Club Officer Responsibilities

The club officers hold primary responsibility for club qualification and the proper implementation of TRF grants.

Club officer responsibilities include:

- A. Appointing at least one club member to implement, manage, and maintain club qualification
- B. Ensuring that all TRF grants adhere to stewardship measures and proper grant management practices
- C. Ensuring that all individuals involved in a grant conduct their activities in a way that avoids any actual or perceived conflict of interest

3. Financial Management Plan

The club must have a written financial management plan to provide consistent administration of grant funds.

The financial management plan must include procedures to:

- A. Maintain a standard set of accounts, which includes a complete record of all receipts and disbursements of grant funds
- B. Disburse grant funds, as appropriate
- C. Maintain segregation of duties for handling funds
- D. Establish an inventory system for equipment and other assets purchased with grant funds, and maintain records for items that are purchased, produced, or distributed through grant activities

4. Bank Account Requirements

In order to receive grant funds, the club must have a dedicated bank account that is used solely for receiving and disbursing TRF grant funds.

 2. Be a low- or noninterest-bearing account
- B. Any interest earned must be documented and used for eligible, approved grant activities, or returned to TRF.
- C. A separate account should be opened for each club-sponsored grant, and the name of the account should clearly identify its use for grant funds.
- D. Grant funds may not be deposited in investment accounts including, but not limited to, mutual funds, certificates of deposit, bonds, and stocks.
- E. Bank statements must be available to support receipt and use of TRF grant funds.
- F. The club must maintain a written plan for transferring custody of the bank accounts in the event of a change in signatories.

5. Report on Use of Grant Funds

The club must adhere to all TRF reporting requirements. Grant reporting is a key aspect of grant management and stewardship, as it informs TRF of the grant's progress and how funds are spent.

6. Document Retention

The club must establish and maintain appropriate recordkeeping systems to preserve important documents related to qualification and TRF grants. Retaining these documents supports transparency in grant management and assists in the preparation for audits or financial assessments.
