Where we use our resources to empower people to carve their own paths out of poverty  
The more needy communities we know of, the more opportunity we have to do good  
Where we give things away to people in need  
Any model where needy people have increased opportunity for our assistance

14. If a member of your Club is on the Board of a non-profit,

You must attach a statement to your DMG application explaining how you intend to prevent conflict of interest

You should do all of your DMG's with that non-profit

That member should definitely be a member of the 3-person DMG committee

The member must take a leave of absence for the duration of the DMG project

15. If the non-profit you are working with can get a better discount on goods or services than your Club can, what must you do to comply with the requirement to maintain control of the grant funds?

Get permission from the District Foundation Steward

Have the non-profit purchase the g/s, then reimburse from grant funds on receipt of proper documentation

Have the club and the non-profit both authorize an MOU that defines how the funds are to be used.

It doesn't matter as long as you described the process in your DMG application

It's okay to simply write them a check as long as you know the non-profit to be highly ethical

16. If your project requires a scope change you must get approval from the Grants Committee:

Only if the financial impact is greater than \$1000

Before implementing the change

Before filing the application

Just before filing the final report

17. Recommended methods to document partner Club financial participation in a DMG Final Report include (include all that apply):

An email from the partner Club President

None needed – we are all Rotarians who practice the Four-Way Test

A copy of the cancelled check from the partner Club

18. When there is a discrepancy in the benefits to non-Rotarians that actually occurred compared to what was described in the DMG application:

The Club must refund all District grant funding within 60 days or September 30, 2023, whichever occurs first.

The discrepancy must NOT be recorded in the DMG final report and any documentation (photos, etc.) suggesting things did not go as planned must be rigorously destroyed.

The DMG Final Report should describe what actually occurred and provide reasons for any discrepancy.

You must obtain District Governor approval for the discrepancy

19. If your Club spends less than the budgeted amount of funds on your DMG:

You can spend the difference on some other worthy project.

Your Club may qualify for the James P. Clyburn award for Financial Efficiency.

You must refund all TRF matching funds back to District 7980.

You may expand the project in line with the scope of the original project, with the approval of the District Grants Committee Chair.

20. If you overspend your DMG budget

It's okay as long as the Club sources the funding to make up the difference

You may be required to return the District matching funds for that project

You must get written permission from the Foundation Grants Chair before you overspend

The cooperating organization is required to pay for any overspend
