9. If you already know the best way to support a needy community:

You should skip the Community Needs Assessment to speed implementation.
You should recruit partner clubs to increase the funding for your project.
You may be making a well-intentioned but unfortunate mistake.
That needy community will definitely welcome your assistance.

10. Which of the following statements accurately describe the value of involving members of the served community in your community assessment? (check all that apply)

They'll probably just ask for more money.

You may find a new way to address the situation.

If the community members knew how to address the problem, they wouldn't need our help.

You may learn something you didn't know before.

Community members may become suspicious of our motives.

11. What is the limit on matching funds which can be awarded to your Club for the total of all DMG's for the 2023-2024 year?

\$2,500

\$5,000

\$7,500

\$30,000

12. Compared to the charity model, the opportunity model is:

Where we give things away to people in need.

The more needy communities we know of, the more opportunity we have to do good.

Where we use our resources to empower people to carve their own paths out of poverty.

Any model where needy people have increased opportunity for our assistance.

13. Financial support can be considered Rotarian involvement in a DMG under what circumstances?

The support is inextricably linked to accomplishing the DMG's objectives.

The financial support is uniquely independent of the Club's typical funding methods.

Never.

When that financial support is integrated with promotion of The Rotary Foundation.

14. If you want to submit a grant application involving a non-profit organization of which a Club member is on the Board, you must attach a statement describing your plan to prevent a conflict of interest. Your plan would likely include which of the following components (include all that apply):

The member promises to live up to the Four Way Test.
The member will make sure there is no paper trail pointing to his/her involvement in the grant project.
The member will not participate as a member of the DMG committee or have control over disbursement of grant funds.
The member must resign from Rotary.

15. If your project requires a scope change you must get approval from the DMG Review Committee Chair:

Only if the financial impact is greater than \$100
Before implementing the change.
Before filing the application.
Just before filing the final report.

16. What happens if the non-profit you are working with uses your grant funds to purchase goods or services that were not included in the approved DMG budget?

It doesn't matter as long as you explain the situation in your DMG Final Report
Your DMG project committee must decide whether to allow the expenses.
You have to report the incident to TRF immediately.
Your Club may have to return some matching funds.
You should warn other Clubs to avoid dealing with that non-profit.

17. When reviewing your DMG application, the DMG Review Committee takes into consideration which of the following criteria (include all that apply):

The number of non-Rotarians your project will benefit.
The sustainability of your results.
The benefits of your grant compared to the cost.
Adherence to TRF and D7980 terms and conditions for grants.
The extent to which your grant addresses environmental concerns.
How much money your Club raised for the TRF Annual Fund last year.

18. When there is a discrepancy in the benefits to non-Rotarians that actually occurred compared to what was described in the DMG application:

The Club must refund all District grant funding within 60 days or September 30, 2024, whichever occurs first.

The discrepancy must NOT be recorded in the DMG final report and any documentation (photos, etc.) suggesting things did not go as planned must be completely destroyed.

The DMG Final Report should describe what actually occurred and provide reasons for any discrepancy.

You must obtain District Governor approval for the discrepancy

19. If your Club spends less than the budgeted amount of funds on your DMG:

You can spend the difference on some other worthy project.

Your Club may qualify for the James P. Clyburn award for Financial Efficiency.

You must refund all TRF matching funds back to District 7980.

You may expand the project in line with the scope of the original project, with the approval of the DMG Review Committee Chair.

20. If you overspend your DMG budget

It's okay as long as the Club sources the funding to make up the difference.

You may be required to return the District matching funds for that project.

You must get written permission from the Foundation Grants Chair before you overspend.

The cooperating organization is required to pay for any overspend.
