

Rotarian George R. Hensel

George was a fine Rotarian with 45 years of perfect attendance. His was an Horatio Alger story, going from sleeping on park benches during the Depression, through the Merchant Marines, to a Ph.D. in business and an impressive record of philanthropy, much of it here in the San Gabriel Valley. Besides having been a major donor to our Rotary Foundation, he has been honored by the Boys and Girls Clubs, YMCA, Beverly Hospital, and the City of Montebello, which named a street and the community pool after him.

The George R. Hensel Ethics Contest

District 5300 is in the 14th year of the contest. It was first introduced to the district in 1999-2000 by then Governor Garbis der Yeghian.

It is unique among the 3 student contests sponsored by the district in that **THERE ARE NO FEES REQUIRED FROM THE CLUBS TO PARTICIPATE.** There are 4 prizes: **1st Place receives \$3,000, while 3 runners up will each receive \$500.** All prizes are sponsored by Dr. Hensel.

The contest is designed to challenge high school students to analyze ethical issues and concerns confronting them in today's complex world. Open to all high school students in the district, the contest provides an opportunity for our students to win scholarships, and express their views on ethics.

Other contests in our district attract the musicians and the public speakers, the performers if you will, of the world. This contest is an opportunity for students whose talent is not usually displayed in public, those who can write well.
