

Rotary International District 5300

Paul Harris Society

The **Paul Harris Society** recognizes

Rotarians and friends of Rotary who contribute at least
\$1000 in their own names during
each Rotary Year to **The Rotary Foundation**, and
who **intend to continue** to do so.

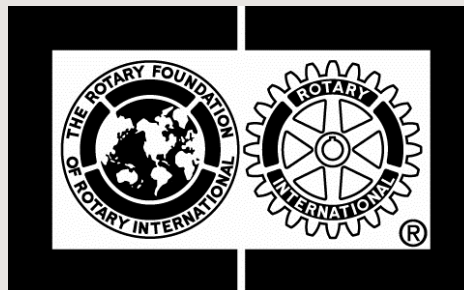

Please interpret “Rotary Year” as

July 15 – June 15

so that contributions are credited to the correct year.

Gifts may be designated for the
Annual Fund; or
PolioPlus; or
Approved Foundation Grants.

The Society is administered by District 5300, through the Paul Harris Society Coordinator (PHSC).

It is not part of the Paul Harris Fellow program, but each \$1000 contribution does lead to Paul Harris Fellow recognition of one person.

All contributions are included in your personal record of giving leading to Major Donor status.
