## Food Bank Benefits!

We have continually supported Broken Arrow Neighbors, and when we learned last Fall that the Community Food Bank of Eastern Oklahoma was perilously low on supplies, we donated big. It was noted at our 9/17 meeting that BA Neighbors buys many of their products from the Food Bank. In seeing the need, our Sergeant at Arms, Curtis Rothrock collected that week and on 9/24 to benefit the Food Bank. A total of \$363 was raised, well over the goal. Great to kick in some help now rather than waiting until Thanksgiving!

*Fred Tanner, a transfer Rotarian and Stu Conrad, a new Rotarian. They are the newest members in our club. Fred comes from the Morrilton, Arkansas Club where was a member for 11 years and is a Paul Harris Fellow. Stu has been providing our meals and has found our club inviting. There will be more information in later newsletters.*

## Help Wanted.

Lisa Ford reported on events that our club members can support.

The **"Night Out Against Crime"** community party at the Farmers Market will be from 6-8 p.m. Oct. 27. Our Police Department and other public service agencies distribute treats and educational materials to the citizens of Broken Arrow. We want to provide attractions and family entertainment geared for children and their parents.

Last year our club had a table giving away candy which was handled by Stan & Brenda Evetts and Janie Thomas. The club will buy the candy, but other members need to do the work this year. Talk to Jeff Hewett & Lisa Ford.

# Meeting Speakers

Patti Mock was born and raised in Broken Arrow. She is a singer and psalmist, plays eight musical instruments and charmed us with her version of the 23rd Psalm on 8/27. She has a Branson-style dinner show on the 19th & 20th of October featuring "Patti Cline" and "Silly Nelson."

Jeff VanDohal, Broken Arrow Fire Chief, spoke on 9/17. He gave us an overview of our community standing and the improvements planned. His goal is an ISO rating of #1 for BA. While one of the top rated in the state at #2, he feels that we will soon be the second in the state to be #1 rated. (Midwest City is the only one now.)

Kelly Riggs, founder of Vmax Performance Group spoke to us on 9/10. He is an organizational therapist whose objective is to determine the causes of organizational dysfunction. He described 3 areas of needs: Clarity, the vision of goal; Plan, the direction to get there; and Culture, the principles and values that define a company. He used the film "Moneyball" as a good business plan example.

Sydney Wyre received a warm welcome when she presented "Syd's Cupcakes for a Cure." She is selling cupcakes with money raised going to cancer research. Order cupcakes via email to her mom: dana.wyre@cox.net.

Junior Achievement Developmental Director. Brian Jackson, spoke on 9/24. His enthusiasm for the program was clear as he described how elementary through middle school students learn personal and business finance values.

JA is having their 10-year anniversary in March and celebrate providing financial literacy and entrepreneur skills to young folks to establish their work-readiness and create life skills.
