## SCRYE South-Central Rotary Youth Exchange

*Gary Shotton poses with the 10 boys he housed overnight on 1/18. On Saturday, 1/19, his group joined with six that Lisa and Galen Engel housed for a hamburger and hot dog cookout. With Gary and Lisa, the more the merrier.*

Gary and Cindy are very comfortable with international connections and helped our club handle 10% of the foreign exchange students who gathered in the Tulsa area over the weekend. Besides his 10 and Lisa and Galen's 6, Charles & Sharon Campbell had two, Don & Denise Paige had four and Nick & Dianne Nail had two. Gary said his students hailed from Germany, Taiwan, France, Columbia, Brazil, Japan, Chile and more that he's forgotten.

Everyone seemed to have a great time with these 26 kids from all over the world. We are very pleased that our club members would so generously share hospitality to our foreign guests.

MSNI work day is scheduled for January 26 from 9 a.m. until noon. Charles Campbell has had a little difficulty getting enough crew signed up for this, so please contact him if you can work this Saturday morning at the warehouse. This is a great opportunity to do great service in Rotary.

## Crowing Rights Trivia Challenge is 2/23.

The Warm-Up is 1/28 at NSU-BA for our meeting. More information on page 2.

# Meeting Speakers

Brian Pascal of Tulsa Young Professionals (TYPROs) spoke to us on 1/7/13. This group was created by the Tulsa Chamber of Commerce eight years ago in April. There are about 8,000 people organized into eight "crews" which is what they call their committees. They are ages 21-40 and manage 80 events per year.

Their goals include networking, both social and business, but due to the age group, they find this is mostly horizontal networking and are looking to groups like Rotary to get some vertical networking too.

Community engagement is also a pillar of the organization. This year the Arts and Humanities Council of Tulsa is their primary focus.

They also have a part called "The Forge" the is a small business incubator.

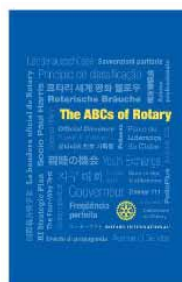

On 1/14 our speaker was Corporal Deidre Hughes of the BA Police Department. She gave us an excellent presentation about conflict resolution. This is something she applies to her work and life and has found ways to recognize an anger blow up about to happen and then defuse the situation. Respect for others and expecting it in return is a primary foundation for conflict resolution, plus leaving personal ego out of it.

Deirdre's talk fulfills the RI Presidential Citation requirement to have a presentation on Conflict Resolution, part of an international goal promoting world peace.

Our 1/21 meeting was a presentation of "The ABCs of Rotary" by our membership committee. Led by Matt Hancock, we heard from Jeff Hewett, Bill Engelhardt and Bob Baker. They presented each member a pocket card with our club visioning "elevator speech" plus a Rotary coin with the "4-Way Test."

Our membership drive will begin in February. Members will be divided into teams who will have a goal to reach of bringing guests and prospective members to our meetings.

The Trial Run for the contest is 1/28 at NSU-BA during our off-site meeting there in the Administration building, upstairs in the Banquet Hall. Expect team leaders Terry Cupp, Andy Truman and Curtis Rothrock to draft you onto a team. our 8 students of the month will also join the teams, and 50/50 tickets will be sold. Bring your cash for the \$10 stretches! We will be using the hand-held clickers in the audience to test those devices, so be ready to help us use those. **Happy Hands has several teams wishing to be sponsored for the 2/23 fund-raising contest, so please find us some donors or join together to sponsor these teams or form your own group to compete.**
