## Drumright Rotary Hosts Monthly Student Honorees February 20, 2013

Erin Trippy, ARNP shared with the Rotary Club of Drumright the importance of mentoring.

At Friday's meeting the Rotary Club of Drumright was joined by "Student Rotarians" from Drumright, Oilton, and Olive schools. Each month two seniors from each school attend a meeting and have the opportunity to experience a Rotary meeting and our members get the opportunity to hear directly from the students what is happening at their schools
