

Alma Rotary Hosts Second Annual Crawfish Boil

The Alma Rotary Club recently hosted their second annual Crawfish Boil at the new Alma Community Center on Saturday June 9, 2012. This is the first event to be held at the Alma Community Center which will also serve as a meeting place for the Alma Rotary. The Crawfish Boil served as a fund raiser for the completion of the community center's interior, which includes the purchase of a sound system.

Rotary International District 6110 Governor Danny Mitchell and former Governor A.C. Montcrief were on hand to enjoy the festivities as well as state representatives Justin Harris and Leslee Milam Post. The evening began with an opening address by Rotary Member Wolf Grulkey and followed with a word of prayer by Wayne Thompson. Guests were treated to boiled crawfish, shrimp, chicken and hot dogs along with corn, mushrooms and potatoes as side items. Entertainment for the adults was provided by several local entertainers, most notably Crooked and Steep, a Bluegrass Band with roots that run deep in the Arkansas River Valley. Children were able to play to their heart's content in a Bounce Around located outside.

The evening provided many with the chance to experience great entertainment, food, and most of all fellowship. For a Rotarian it is the fellowship which is most important, because that is how great ideas are developed into outstanding service projects. The Crawfish Boil was an enjoyable event all around which left many anticipating the next event by this local Rotary chapter.
