Meeting Speakers

Kim Goddard spoke to us about Broken Arrow Neighbors on 4/23. She has been involved there for 12 years, the last six as director. Her records show that in 2010, 11,500 people were served. During that time Coweta was also part of the program, and now they focus totally on Broken Arrow clients.

< Lt. Col. Gary Scott hosted us at the new Armed Forces Reserve Center. Marines, Navy, Arm and National Guard share the space, a 280,000 s.f. facility with 100,000 being for maintenance. The first floor of the main building is common area with the services' offices divided into four quadrants on the second floor. The photo above is in the entrance area and features Col. Scott, Bruce Schutte, Rotarian visitor Jim Otterstrom, Bill Roberts, PS3 Nicole Woodard, YN1 Priscilla Taft, Jim Beavers, Mike Scrimsher and Nick Nail.

John Sullivan was our guest speaker on 5/14. He is an NSU graduate and was elected to congress in 2002 after 7 years in

the Oklahoma House of Representatives. He serves on the House Energy and Commerce Leadership team and encourages programs to put more natural gas-powered vehicles on the road. He promotes budgets designed to cut the deficit and is up for reelection.

Russell Peterson and David Rampey tag-teamed on 5/7 in a presentation about our Golf Tournament. Saint Francis Hospital Foundation will continue to match our proceeds up to \$20,000, but will require their matched part to be spent on local health programs. Thus the RICH program was developed to create appropriate children's health projects.

< District Assembly on 4/28 was attended by Gary Shotton, Jeff Hewett, Janie Thomas, Stan Evetts and Nick Nail who was off setting up his presentations when this image was taken.

> MSNI packing work on 4/21 was done by Janie Thomas, RYLA students: Giovanni Tolentino, Kristen Tallman, Jordan Phelps and Mitchell Rovang, and Nick Nail.

Students of the Month for April and May were awarded on April 7. Presentations were made to Caleb Clark, Calvin Mann, Tyler Price, Dania Maduro, Camby Stout, Samantha Elizondo and Meagan Weaver.

She came to express appreciation for the scholarship she was granted in 2008, and has taken our confidence in her as inspiration to make her life one of service and exceptional character. We are proud of her excellence!

RICH

Rotarians Investing in Children's Health

The efforts that BA Rotarians have made to contact those they know requesting donations is beginning to show some results. And we are having some success but there is still room for more, so please keep your contacts open and thinking charity. There is a special custom shirt that will be given to the Rotarian who brings in a new team.

The tournament is on Wednesday, June 27. We will be getting help sign-up sheets circulating soon after our Memorial Day break. Goodie bag items are still needed, as well as quality prizes for the various contests held during the tournament.

As you can see to the left, the 2012 shirt is going to be a great new look with the first RICH designation. Get your shirt, hat and balls ordered so you can be "stylin'" when you go out and about.

Thank you to all who are working to make our big fund raiser a great success. The committee is really excited about the improving results. New members are still welcome to join the committee.
